RAULSTON EARNS DIPLOMA

In the office of Al Raulston, of our machine accounting department, hangs a diploma representing his completion of the International Account-

ants Society correspondence course in General Accounting, specializing in Cost Accounting.

In 1955, Al was hospitalized for several months. It was during the time he was recuperating that Al did most of the study, having completed eighty of the ninety assignments.

Al has been with our IBM department since 1950.

DISTINGUISHED VISITOR

Dr. E. Stanley Jones, accompanied by Dr. C. C. Herbert, Jr., pastor of High Point's Wesley Memorial Church, visited in our plants on November 1, 1957.

Dr. Jones, one of the most influential Christian statesmen of our century, conducted a Spiritual Life Mission in High Point the week of October 27. Speaking at High Point College's auditorium daily, he was well received by a capacity audience.

Well known and well loved as an author, missionary and evangelist, he prefers to be called an evangelist, which means "the bearer of good news."
