Think. . . . .

It's a little thing to do  
Just to think.

Anyone, no matter who,  
Ought to think.

Take a little time each day  
From the minutes thrown away,  
Spare it from your work or play -  
Stop and think.

You will find that men who fail  
Do not think.  
Men who find themselves in jail  
Do not think.

Half the trouble that we see,  
Trouble brewed by you and me,  
Probably would never be  
If we'd think.

Shall we then consider this?  
Shall we think?

Shall we journey hit or miss,  
Or shall we think?

Let's not go along by guess  
But rather to ourselves confess  
It would help us more or less  
If we'd think.

## "IN GOD WE TRUST"

If you will look at the coins of the United States, whether they are pennies, nickels, dimes, quarters, half-dollars or dollars, minted after 1864, you will see the motto "In God We Trust" imprinted on them. This motto was originated in the U.S.A. by S. P. Chase, then secretary of the treasury, in the year 1864, and has appeared on all coins of this country. In a letter to the director of the mint, Chase told how the nation could not expect to remain powerful or safe without the help of God, and he then instructed the director to prepare a device to place this motto on all coins.

"Genesis-----Exodus-----Leviticus."
