WORK CAN BE FUN

Betsy Downing, a knitter in Plant 1, Hosiery Division, wrote her supervisor, Clifford Chappell:

Dear Friends,

I have had a great time working at Adams-Millis Corporation this past summer. I could not have chosen a more friendly place to work. I was working to help my parents pay for my college when that time comes. Each and everyone who gave me help, I appreciate it very much. You have helped me in many ways that you don't even know about, I enjoyed working with each one of you. I enjoyed the fun along with the good healthy hard work. I could not have done as well as I did without the knowledge I learned from your teachings. I am very grateful to you all. I hope to be back next summer.

See you all soon,

Betsy Downing

The longest day in the year is the first day back from your vacation.
