

Steve Clendenin puts the finishing touches on his cover design.

Left, Addline Hill, at the drawing board in the printing department, measures the pasted copy for proper placement. Right, Bertha Hester places the stripped negative on a plate for burning in the exposure frame.

Ruth Paige sets up the 2750 off-set printing machine.

Printing Department Manager Charlie Deviney and Ruth Paige check the test run for blemishes, ink density and proper page alignment.

Left to right, Addline Hill, Ruth Paige and Bertha Hester set about the task of hand-collating the nearly four thousand copies of AMCO NEWS. -5-

Your AMCO NEWS Production Staff extends its best wishes for A Merry Christmas and A Happy New Year!
