### Plant 8 Achieves Milestone

Another Adams-Millis plant has reached a major safety milestone -- one million consecutive safe working hours.

Plant 8 in Franklinton topped the million-hour mark on September 22. The achievement represents a safe period from July 1, 1980.

"It's always wonderful to see people work hard to reach goals and achieve them," said President Robert M. Bundy Jr. "It's especially gratifying to see everyone work together to put safety first in the workplace."

"To reach the million safe working hours mark is a milestone in which each Plant 8 employee can take a great deal of pride," Bundy added. "It is something that does not happen without an extra effort from everyone involved."

Plant 3 in Kernersville achieved the million-hour milestone in November 1984.

The Plant 8 achievement means that no lost-time accident has occurred on the job during the more than five years representing the million hours

## A-M Employees Set Pace In High Point UW Drive

Adams-Millis employees led the way as pacesetters for the 1986 High Point United Way posting a large increase over the 1985 campaign.

Plants 1, 7, 66, 70, 75 and Administration participated in the pacesetter campaign posting pledges of \$22,680.65. That represents a 54 percent increase over 1985 when \$14,695.37 was pledged.

Response to this year's campaign showed other increases as well. This year 83.6 percent of employees contributed to the campaign compared with 41.62 in 1985.

High Point United Way Representative Talks With A-M Volunteers

"It is quite gratifying to see Adams-Millis employees share so freely with the community's needs," said Adams-Millis Chairman James H. Millis Sr. "Our employees on a daily basis show their commitment to the company through the fine job they do. They demonstrate their commitment to the community each year through the United Way campaign. What they did this year exceeded expectations."

In preparation for the pacesetter campaign several representatives of Adams-

Millis visited some of the agencies served by the United Way.

Those included Jeanette Alston, Rick Sweet, Ophelia Hamlin, Leila Wishon, Susie Hunt, Sandra Morrison, Ann Price, Lucy Rush, Lu Rogers, Dianne Wessell, Linda Leach, Jackie Barnard, Margie Lail and David Moff, who served as this year's Company Campaign Coordinator.

Following those visits,

these campaign volunteers shared information about the agencies with other Adams-Millis employees during the campaign.

Adams-Millis Chairman James H. Millis Sr. has been heavily involved in the 1986 campaign as chairman of the loaned executives participating in this year's fund drive.

The Adams-Millis pacesetter drive resulted in a per

capita contribution of \$43.70 compared to \$29.33 in 1985.

"It's obvious from this campaign that Adams-Millis employees are sensitive to the needs of the community," said Moff. "It's gratifying too that the volunteers in the company were so willing to bring the United Way story closer to home."

## New Employee Store Opens With Fanfare

From left, Mike Ryan, Kay McHone, Don Baker open Mount Airy store.

Adams-Millis Corporation has opened new employee stores in Mount Airy and Hickory for the convenience of employees in purchasing hosiery as well as men's, women's and children's apparel at reduced prices.

The Sock Factory, a new employee store in Mount Airy, has gained substantial sales volume since its June 9 opening, according to Don Baker, Outlet Stores Area Manager/Buyer.

"Although 70 to 75 percent of our business is from our employees, we are getting more and more people from the general public," he said. "Our volume has picked up tremendously."

The new 1,600 square foot facility is located in Pine Plaza Mall at the intersection of N.C. 89 and U.S. 52 a quarter-mile from Adams-Millis' Mount Airy
