TUBERCULOSIS CONTRIBUTION

Some time before Christmas you were asked to express your opinion as to the giving of the Coca-Cola machine money to the Guilford County Sanatorium. The majority of you thought it was a fine thing, so a check was made out and Mabel Slate of the Overall, Pat Mavros of the Pants, Mildred Rickard, Shirt Departments, Garland Asbury of the Cutting Room, accompanied by Dale Yoak and China Hedrick presented the check to Dr. M. D. Bonner, Superintendent of the Sanatorium. In appreciation of the donation, below is a copy of Dr. Bonner's letter to you:

December 29, 1948.

Mr. Dale M. Yoak,
Personnel Manager,
High Point Overall Company,
High Point, N. C.

Dear Mr. Yoak:

The splendid and generous donation of \$601.00 which was presented to us by you and your delegation was very greatly appreciated.

We are especially proud that this donation comes from so many individuals, and it was certainly a splendid and generous thing for them to do. These folks gave because they wanted to, and they can be proud of a most charitable and generous thing.

I certainly hope you will be able to express to all the employees our sincere appreciation, and a wish for a very healthy and happy New Year from all of us at the Sanatorium.

Sincerely yours,
M. D. BONNER, M. D.
Superintendent and Medical Director.
