Alpha News

By ROAMLESS HUDSON

The Gamma Beta Chapter of the Alpha Fraternity, Inc., has begun a year's work once more and has planned many activities which are cultural and social in their aspects.

Fraternity members helped the infirm staff during the height of the Flu epidemic. This aid was in the form of counting linen, mixing medicine and checking temperatures of the patients.

On Sunday, October 6, the fraternity sponsored a movie in B. N. Duke auditorium. This function proved to be a great success.

Alpha members are hoping to uphold the fraternity's great ideals this year. These ideals declare that Alphas are, "first of all, servants of all, we shall transcend all."

After a glorious summer of fun and frolic, the AKA's returned once again to North Carolina College. To start off with a bang, we began making plans for the year.

One of the plans scheduled was a Family Sing which included the Alphas and Spinxmen, the Kappas and Scrollers, and the AKA's and Ivies. Everyone enjoyed themselves very much.

Members of the Alpha Chi Chapter of the Alpha Kappa Alpha sorority and the Ivy Leaf Club have begun making plans for 57-58. Among activities planned are the annual AKA Tea, the Ivy Bazaar, the AKA Corral, and the annual Harlem Nocturne talent program.

The talent program, the theme of which is to be "New Faces,"

is scheduled for November. In addition to NCC talent, singing groups from Raleigh and Greensboro will be featured on the program.

The only freshmen to appear on the program were Jan White, Joyce Gatling, and Lawrence Cavuana.

Plans are now being made for the coronation of the Kappa Sweetheart. The coronation will be held in mid-November. The sweetheart for this year is Margaret Anderson, a mathematics major from Smithfield. She is a senior counselor, member of the mathematics club, and the dean of pledges of the AKA sorority. The Kappas are proud to have Miss Anderson as their sweetheart.

Students Give Ciggies Here

North Carolina College's students will again be afforded the opportunity to sample cigarettes from the major tobacco companies. Loftus McMillian, Adele Brandon, Edward Chapman and Samuel Chess are representing the various companies.

Samuel Chess, who represents Phillip Morris, stated in a recent interview that his company will again sponsor a contest such as the bean counting contest of last year. This is Chess' second year with the company.

Edward Chapman is representing American Tobacco Company, while McMillian and Brandon are representing R. J. Reynolds Tobacco Company. Their chief duties will be to introduce the company's product to the campus.

Changed Moniker

Do not get confused if, when reading the bulletin boards, posters, and other notices, you do not see the name "Future Teachers of America." No longer is this name used. Instead, you will see the name "Student National Education Association."

The name "Future Teachers of America" was changed at the last annual meeting of the parent body, The National Education Association of the United States. This sponsoring body thought it best and more appropriate to call our organization by the above name. Nevertheless, if you are planning to be a future teacher, and if you wish to become a full-pledged member of this all-inspiring organization, join today!

CHIDLEY HALL BRIEFS

Chidley Hall held open house on Saturday afternoon, Oct. 19 from 2-5. This was the first in a series of programs announced by Roamless Hudson, Dormitory Government President, in a recent interview with the *Echo*.

The rest of the program includes (1) a series of free movies for all NCC students (2) a Workshop for Better Living Among Dormitory Men—a conference type project which will include student and personnel delegates from all CIAA schools and (4) an athletic Recognition Ball to be held near the end of the year in honor of the most outstanding athletes.

Just recently Mrs. Valeria Berry received a letter from the secretary of the Oxford Colored Orphanage thanking her for the clothing contribution the Chidley Hall residents presented to them last year. For the benefit of all the letter is presented here:

"It is a pleasure for us to formally acknowledge the receipt of used clothing for the

children of the Colored Orphanage. Very soon the two new shirts which you called my attention to will be acknowledged by the recipients.

"We are inspired by the cooperation and good will of friends and organizations which tend to encourage us while conducting this program so vital to dependent children. No doubt we shall have to rely upon charity for some commodities for an indefinite period. For this reason, we appreciate the manner in which you and your friends have indicated your interest in our welfare.

"Our children join me in thanking you for this support and we trust that it shall always be maintained.

Yours very truly,
(MRS.) L. P. LLOYD,
"Secretary"

The men's department of the college has extended an invitation to the orphans to attend one of NCC's home football games as their guests.
