ATHLETE OF THE MONTH

Handy, Number One In Tennis, Has Power and Accuracy

By Chester Mallory

Where there be power and accuracy, there be superiority; and where there be Maurice Handy of NCC, there be fear.

This month, the "Athlete of the Month" title is given to Maurice Handy, the power swinging junior of Washington, D. C., who has aided the North Carolina College Eagles' Tennis team pace two of its three consecutive CIAA Championship and runners up honors for the 1960 season. Handy, along with Napoleon Horton, won the doubles championship in the 37th CIAA Tournament. Handy's season's record stands at 12 wins and 3 losses.

Handy is a graduate of Hillside High here in Durham; however, he now makes his home in

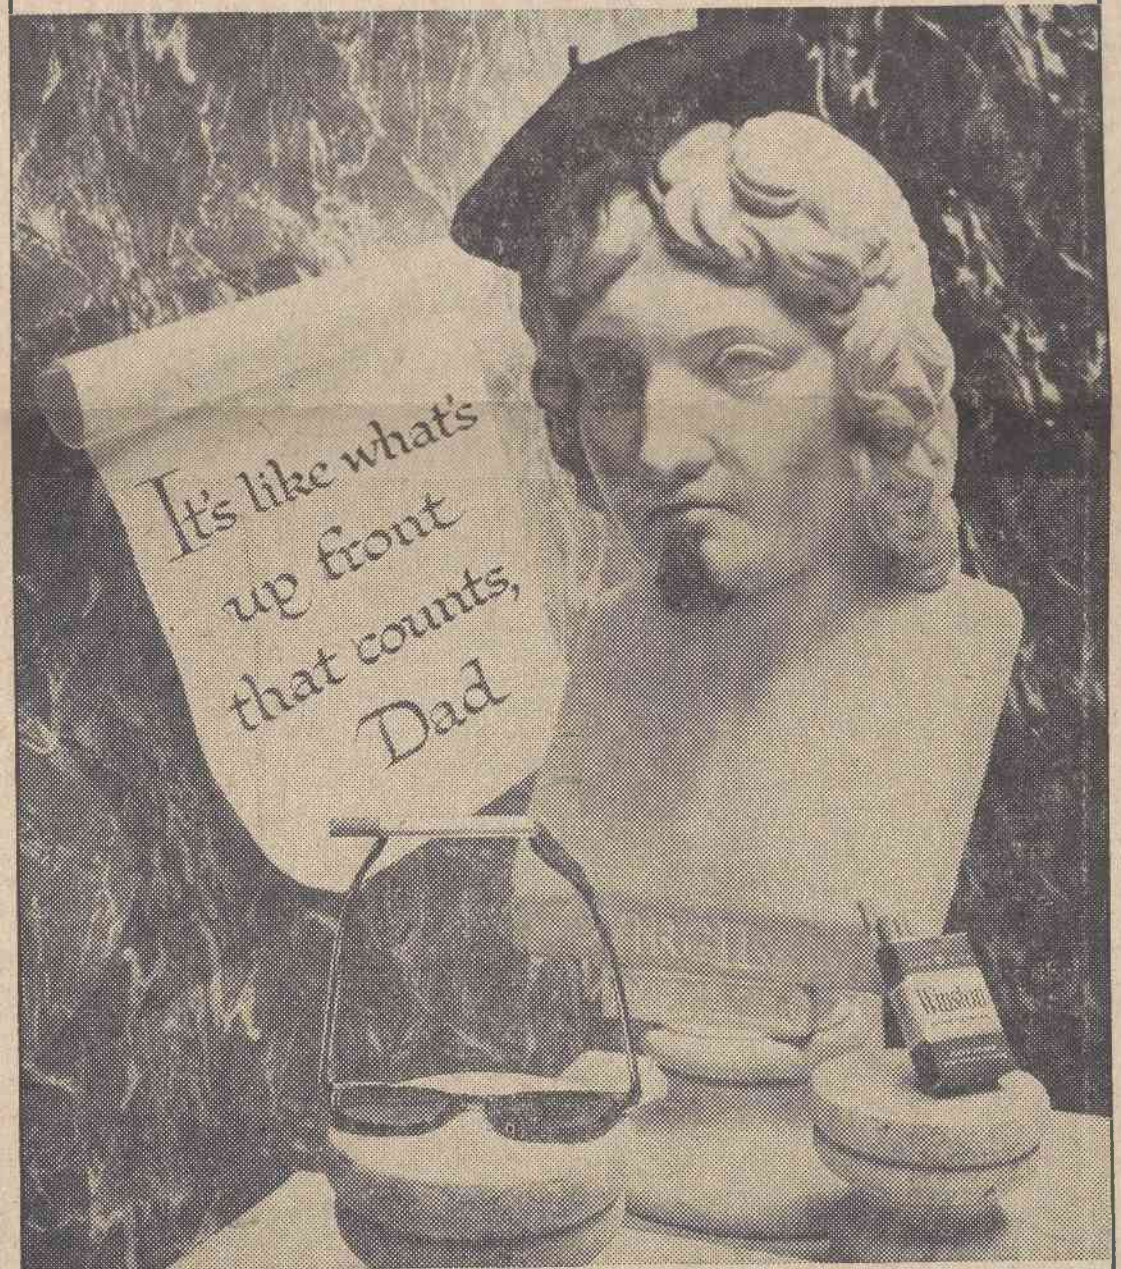

MAURICE HANDY

Washington, D. C. with his family.

Since coming to North Carolina College with one year of tennis experience he has pursued a major in physical education and a minor in biology. Upon completing his studies here he is planning to enter Ohio State University to study physical therapy.

He is a fond lover of all sports; however, he chooses swimming as [his favorite. In answer to my question, what is your greatest desire while you are here, Handy said "well, my greatest desire is to beat Denton Johnson of Johnson C. Smith University, and with the help of Coach Younge, who is responsible for my success, I will beat him in my next match."

Even Virgil is with the Winston beat

I Sing Of Arms And Like **FILTER-BLEND**, Man,

For if you dig a modern filter cigarette
It figures that it's what's up front that is the most
Like pure Flavorsville, orbit stuff, and all that jazz;
And only Winston swings with **FILTER-BLEND** up front,
A real gone combo of golden, rich tobaccos
Selected and processed like for filter smoking;
That's why, dear cats or even squares, it's understood

Winston tastes good like a cigarette should!
