

Eagles Edge Morris Brown 8-6

By John A. Holley

North Carolina College's Luther Jeralds crashed through Morris Brown College's defense to block a fourth quarter punt in the end zone to give the Eagles a safety and an 8-6 triumph over the homeground Wolverines.

The Eagles, playing with a new zest, scored in the opening period when Rossie Barfield went off his own right tackle, cut back to the center of the field, and skirted 33 yards to paydirt to cap a 72-yard TD drive. The scoring drive used up only five plays.

Morris Brown, fighting desperately for a comeback, managed to score with 2:18 seconds remaining in the second quarter when Don Cambridge dove through the middle of the Eagles' tight defense for the Wolverines' touchdown from three yards out. Jeralds, a 250-pound guard, dove through to block the attempted kicking conversion as it sailed off Johnnie Davis' toe.

The Eagles dominated the game throughout the tilt, failing to capitalize on numerous scoring opportunities. The score remained knotted 6-6 until late in the fourth period when Reggie Pryor, the Eagles' sparkling quarterback, boomed one of his punts dead at the Wolverines' two-yard line.

The Morris Brown eleven, with their backs to the goal line, tried unsuccessfully to advance the ball out of the danger zone on two downs, but were helpless against a vicious NCC forward

wall. On the third down, Davis stepped back in the end zone to punt, but NCC's charging line with Robert Currington and Walt Browning crashing in on both sides, put the pressure on Davis, and Jeralds blasted through the middle to block the punt off Davis' foot.

Sparkling performances were turned in by Jeralds, who only a few days ago had received the okay from the NCC physicians to play this season. Currington, who played a whale of a defensive game from the terminal post; and Harvey Ramseur, team captain, who was a steady performer for the entire game from his linebacking spot.

Other outstanding roles were turned in by James Brewington, Charles Hinton, James Bryant, and Frank Gardner, the crux of the Eagles' middle attack on the line.

Pryor, in addition to booming the pigskin in pursuit of his 4th successive CIAA punting title, played a terrific game as the Eagles' signal caller.

Lyceum Schedule

The North Carolina College Lyceum and Concert Series has listed for the '60-61 term noted artists and varied talents.

The list and dates for the year are as follows: October 13, George Tapps in "Born to Dance;" January 12, Nelson and Neal, piano; February 9, National Opera Company, and April 24, Saint Louis Sinfonietta.

Harvey Ramseur, captain of the 1960 Eagles' football team, and Reginald Pryor, the co-captain, will spearhead NCC's pigskin hopes for the year.

Football Class

Last week the football team sponsored a "hep" rally for Eagles who desired to be briefed on the ins and outs of football. The idea was to help desiring students recognize and understand the original and complex plays carried out in regular games.

Members of the team announced the plays over a microphone with a brief description while elect players carried out the plays on the ball court.

The tennis-clad footballers gave enactments of the tight T, the spread punt, tight punt, the shoulder block, the hook block, and the shield block.

Mr. Edward Boyd, a CIAA representative, discussed changes in rules for the football season. The major rule change was the substitution. The old rule has been changed to allow for a "Wild Card Substitution." This means that a coach may send in one substitute at any time while the clock is running.

After "class," the cheerleading squad led the crowd in a round of roaring cheers.
