Dr. Jackson will assume the duties of editor of the "Journal of Health and Social Behavior" in September.

**VISIBLE PROGRESS**—Construction men greet passersby as their work nears completion on the Hospital parking lot. The parking lot is scheduled to be finished in August and will make available 1000 new spaces for many thankful individuals. (staff photo)

## Auto Registration Dates Are Set, Parking, Traffic Changes Announced

All employees of the Medical Center and visitors are asked to read carefully the following announcements concerning the new Parking Garage and the routing of traffic for the next four weeks while the garage and access roads are being completed.

Beginning Friday, August 4, 1972 the first floor of the Parking Garage will be closed and the second level will be opened to permit the contractor to complete the ground level and to widen Fulton Street. Fulton Street between Trent Drive and Hospital Drive will be closed temporarily in two stages.

1. From August 4 to August 20 the section between Hospital Drive and the exit from the new toll booths will be closed. Traffic will enter from Trent Drive.
2. From August 20 to August 26 the section between Trent Drive and the Toll booths will be closed and traffic will enter from Hospital Drive and Fulton Street.

Signs and barricades will be erected to minimize the confusion on the part of motorists. Parking along Trent Drive from Hanes House to the traffic light in front of Baker House will be eliminated in

order to improve visibility and safety for motorists entering Trent Drive from Fulton Street.

Please take note that Duke University is initiating a new parking system, effective September 1, 1972. As a result, all of the current decals will no longer be valid after August 31, 1972. A registration fee of \$12 will be charged and this can be paid in full or by payroll deduction.

Re-registration for all Medical Center employees will begin Monday, August 21, and continue through Friday, August 25, in the Hospital, basement corridor, red zone, outside Medical Records. The hours are from 8:30 a.m. to 4:30 p.m. for daytime personnel. Evening employees can register from 7 p.m. to 1 a.m., Monday through Wednesday, in the same location.

The following information and documents will be required to register a vehicle.

1. Valid driver's license
2. Current vehicle registration card
3. Name of your insurance company
4. Social Security Number
5. Building office, room number, and your business phone number
