

Professional P.E.P. Ceremony Honors Graduates News

Attend Meeting

Dr. Robert L. Habig and Dr. John A. Bittikofer attended the American Association of Clinical Chemists' meeting in Cincinnati, Ohio, during the week of August 20 through August 25. Dr. Habig chaired the session on Methodology.

Tours Russia

Vera K. Sticht, director of psychiatric nursing, visited the Soviet Union recently on a study tour of mental hospitals. Mrs. Sticht visited Moscow, Leningrad, Kiev, and Sochi. The trip was sponsored by the Orthopsychiatric Association of America.

Three other Duke members who attended the tour were James B. Duke professor of anthropology Dr. Weston LaBarre, his wife, Maurine, associate professor of social work and Kathryn Barclay, assistant professor of psychiatry and chief social worker in the division of child psychiatry.

CHESS TOURNAMENT

The North Carolina Chess Association is sponsoring a chess tournament Sept. 2-4 at the Durham Hotel and Motor Inn. The tournament is open to all North Carolina residents, full time students attending N.C. colleges, and service men stationed here. Registration ends Sept. 2, at noon so interested individuals should enroll today or tomorrow morning. Dr. Gordon K. Klintworth can give additional information. Call 5116 or 489-8960.

INTERCOM is published weekly for Duke University Medical Center employes, faculty, staff, students, and friends by the Medical Center Public Relations Office. Joe H. Sigler, director, and Vance B. Whitfield, assistant director.

Public Relations Advisory Committee: Sam A. Agnello, director of the division of audiovisual education; James L. Bennett, Jr., executive assistant to the vice president for health affairs; C. C. Cobb, employe relations assistant in the Medical Center Personnel Office; Kenneth M. Holt, assistant director of the Hospital; and Julia Taylor, RN, head nurse on Strudwick Ward.

The second annual P.E.P. (Paths for Employe Progress) recognition ceremony was held last week in the Hospital amphitheater, honoring 31 graduates who have completed the program this year.

In a talk to the group, Dr. Thomas D. Kinney, director of medical and allied health education, underscored the importance of continuing education in the health field. Noting the degree of specialization in medicine today and the many different roles which must support the physician in his work, he urged the graduates not to underestimate their achievement. He noted that health careers and medically related activities would soon become the second largest industry in the nation.

Howard Lee, who directs the P.E.P. program, said he was particularly pleased with the caliber of the graduates and the very low attrition rate throughout the year. He sees the young program as "beneficial to employe morale and an opportunity for Medical Center employes to better their lot in life through the joint efforts of the individual and the University."

Certificates were awarded to the following:

Licensed Practical Nursing—Sherman L. Allen, Addie N. Butler, Hattie C. Carrington, Carolyn B. Cook, Bessie A. Cozart, Leroy Davis, Sula Gilmore, Arnetta H. Holmes, Lauretta McDonald, Quenton L. McDuffie, Elva A. McKellar, Shirley L. Smith, Mary L. Stewart, and Annie T. Taylor.

LUNCH TIME—Brenda Adams in dietetics loads vegetables on a cold truck in a patient tray assembly area. In addition to making salads for patient meals, Mrs. Adams serves desserts, takes special telephone orders, and fills in wherever needed. A friend remarked that Mrs. Adams has one of the most persistent and pleasant smiles in her department.

Does the doctor doctoring another doctor doctor him on the basis of that doctor's doctrine of doctoring, or does the doctor doing the doctoring doctor that doctor on the basis of his own doctoring doctrine?
