

February 8-15, 1974

The Intercom Calendar lists lectures, meetings, symposia and other activities at the medical center. Unless otherwise stated, the events are open only to members of the professional faculty and staff and students. Visiting professionals may obtain permission to attend meetings through the department in charge. A weekly schedule of ward rounds may be acquired from individual departments.

Items must be submitted in writing as far in advance as possible, but no later than 9 a.m. on the Monday preceding publication. The address is Box 3354, Hospital. For questions or information on the distribution of the Calendar, call ext. 4148.
