COFFEE, CANDY AND CONVERSATION—Mary Fendt, director of the House Staff Office, offers these as well as numerous official services to members of the house staff like Dr. Richard Zaino. Established in 1970, the office is one of the few in the country that coordinates house staff information and services at a teaching hospital. "Whatever the need is," Ms. Fendt said, "we try to do what we can." (Photo by Ina Fried)

NEW POSITION—Jill Orvald has been appointed Staff Employment Representative for the university and medical center. She will assist all departments in analyzing their employment needs, advertising and candidate referral for non-academic staff positions. She will work in coordination with the Employment and Equal Employment Opportunity offices. A native of Elyria, Ohio, and a Duke graduate, she has been registrar for the University of Maryland Overseas Program in Frankfurt, Germany, for the past three years.

By Sue Boase
Reporter, Duke West

Duke West celebrated its first birthday on Jan. 5.

A surprise reception for the administrative personnel was held in appreciation for the work done in operating the new unit for the first year. Honored were Dr. Frank Clippinger, medical director; Ellen Hale, nursing supervisor; David Wessner, unit administrator; and Cy Rodio, assistant administrative director of the hospital with responsibility for Duke West.

Special guests included Wilma Minniear, director of nursing, and Richard Peck, administrative director of the hospital.

The nurses at Duke West sponsored the celebration which was attended by the staff from both Duke West and the Durham Rehabilitation Center, who have worked closely together with Duke patients. Hospital employees from the pharmacy, lab, nursing and SPDC also attended.

The reception provided a way to say "thank you" to the people involved in the collective effort necessary to operate a satellite unit.

January 14-21, 1977

We would like to list lectures, symposia and other activities at the medical center in the Intercom Calendar. If information about your event does not appear, the reason is either that we did not receive it or that we received it too late for printing deadlines. Notices can be accepted for the Calendar no later than one week prior to publication. Notices may be sent to Box 3354, Hospital. If last minute scheduling makes it impossible to send a written notice in time, please call 684-4148.

Friday, January 4

12:30 p.m. Biochemistry Seminar. Dr. Hagai Ginsburg, University of Virginia, will speak on "The Isolation and Functional Characterization of the Anion Transporter from Human Red Blood Cells," Rm 147, Nanaline H. Duke Bldg. Coffee at 12:15 p.m. in the lobby.

Move Over, Betty Crocker

The Duke University Library Staff Association is compiling a cookbook of recipes from the Duke community. They would appreciate it if faculty, staff, administrators and retirees would submit their favorite recipes by Jan. 31.

Please send your name, telephone number and recipe to: Catherine Leonardi, Perkins Library. The recipes are preferred typed on 3 x 5 cards.

For more information contact Ms. Leonardi at 684-6359.
