Library Makes Change Initiates Fines Policy

Changes made for Southeastern's library this year include a new location, a new policy concerning reserve books, and the establishment of a fines system.

The library, now located in the former Student Lounge, will observe the same hours as last year - 8:30 a.m. - 10 p.m. (Monday - Thursday), and 8:30 a.m. - 5 p.m. (Friday).

An overnight reserve policy has been established whereby books may be taken out at 9 p.m. on weekdays and must be returned before 9 a.m. the following morning EXCEPT Friday when books may be taken out at 4 p.m., but must be returned by 9 a.m. on Monday. Reserve books may not be checked out of

the library at any time during the day.

Mr. Dunmire, the librarian, stated, "the lack of a fines system hampered effective operation of the library during the past year because students would not return books." As a result the Library Council approved the following fines policy:

(1) Five cents per day (any part) be charged general circulation per book overdue.

(2) Twenty-five cents per hour (any part) be charged per book for overdue overnight reserve books.

(3) Ten cents per hour (any part) be charged per book for overdue three day reserve books.

Mr. Dunmire also emphasized that the library this year is to be used only for library purposes; no smoking, no talking, and no beverages allowed inside the building.

Dance on Sept. 9th

September 9--from 8:30 to 12 p. m.--is the date of the SCA's "Back to College" dance.

The dance is to be informal. SCC students may pick up guest cards from the Office of Student Personnel Services for \$3 per couple. Dates of Southeastern students will be admitted free.

This note is to serve as a reminder to returnees and a notice to newcomers. The Adult Education division is part of the overall comprehensive offering at SCC. It is here to serve you as well as any other potential students in the Adult Education program. Remember, all we need is ten students to start a non-credit class in any subject from archaeology to a general discussion of communism. No test, no fees, no strain - just learning for the sake of learning and self improvement. If you are interested in starting a class contact Mr. Tom Barrett.
