

LOTTA JUNK

BY CANALL

Congratulations, Charley, your tennis team showed lots of fight and pep on the trip to Lenoir and Davidson. Although defeated at Davidson, don't worry. Practice makes perfect. Let's have more practice.

Elon baseball team has at last struck its stride. The team is hitting, and the pitchers are working in mid-season form. Barker and Perry both pitched wonderful games against V. P. I. Let's keep up the good work, fellows; it feels good to be on a winning team.

Kent Patton's timely hitting is proving a valuable asset to the nine. He is a little fellow but proving that even the small are mighty. We appreciate it, Kent, knock 'em a mile.

"College Professor goes into the book agent business as a sideline." See L. M. Cannon. He's taking orders. Don't rush; plenty of copies on hand.

We wonder what Lois, Lillian, Effie, Mary Lee, May Corbitt and Dorothy have to occupy their time and minds, now that the boys are in South Carolina. Don't get the blues, girls, they will be home Sunday.

Gee! If we won fifty dollars, we'd have gotten a new suit, too. We think it's a nifty suit, R. O.—and incidentally we congratulate you on that old speech for the peace contest.

A lot of the wise guys fooled. "Zebo" and Cheek convinced us that some day they are going to be real platform men. Some day we may return to Elon and find them speaking in the places of Dr. Summerbell and Dr. Child. Don't let up, fellows, but push right ahead in the oratorical game. We wish you both the best of luck.

After reading of Trinity's defeat at the hands of V. P. I., it makes our team feel a little proud. Much has been said of Trinity's great team, their wonderful pitchers, and how hard they hit the ball. Nothing has been said in the way of praise about Elon's team, yet in two games V. P. I. failed to register a victory here. Now WE think WE have a wonderful team.

Summary: Home runs, Allston, Three base hits—Flynn, Johnson, Clark. Two base hits—Dean, Morton. Struck out—by Perry 4, by Morton 6. Base on balls, off Perry 2; Morton 2. Stolen bases—Marlette, Newman, Perry. Double plays—Morton to Thomas to Dean. Umpire—Ragsdale.

Second Game

In what proved to be the best played game on Comer field this year Elon and V. P. I. battled 11 innings to a 3-3 tie Friday afternoon. The game was hard fought from the start until darkness ended the fray.

Barker and Harrelson, the opposing twirlers, hooked up in a real pitching duel. Barker allowed only five hits, while the Virginia twirler yielded seven. Both men were working in mid-season form, Harrelson striking out 12 and Barker fanning 10.

V. P. I. drew first blood in the third, when Slemp doubled, sending in two runs. Elon scored one run in her half of the third when Patton singled, sending in Underwood who was on the second station.

Carroll playing left field for V. P. I. featured with a circus catch in the ninth that spelled disaster for the Maroon and Gold. It was one of the prettiest catches seen on the local lot this season, and the crowd cheered him lustily. Patton and Marlette were the leading hitters for Elon, while Slemp starred with the willow for V. P. I. Marlette's slashing triple was one of the longest hits recorded on Comer field this season.

tary schools of London, and attended for a little time the institutions of his native land. He came to America when he was twenty-one years of age, and immediately began his studies in the Southern Baptist Theological Seminary of Louisville, Ky. In 1893 Dr. Cope was ordained as a Baptist minister, and began his pastoral work at Rochester, N. Y. Since that time he has been rapidly coming to the front. He has served as minister, teacher, editor, and is now the general secretary of the Religious Education Association, having been elected to this office in 1906.

Dr. Cope holds degrees from Ripon, Oberlin, and Washburn Colleges. His home is now in Chicago, where in spite of his immense amount of work of his office, he takes an active layman's part in the affairs of the Baptist church. Dr. Cope is a boys' expert and has been years in a detailed study of children and their needs and has specialized in child training on which he has written extensively.
