

The Greatest Air Army in the World  
Needs Flight and Ground Crew Officers

## NOW FOR COLLEGE MEN A NEW OFFICERS' TRAINING PLAN

★ New Deferred Service Plan Allows You to Continue Your Education ★

In the skies over America the mightiest air fleet in the history of the world is mobilizing for victory!

So fast is it growing that there is a place here — an urgent need here — for every college man in America who can qualify for Officer's Training.

The U. S. Army Air Forces need Flying Officers and Ground Crew Officers. And many of them must come from the ranks of today's college students — men who make their plans now for the necessary Aviation Cadet training.

Thanks to a newly created Air Force Reserve plan, men of all classes — aged 18 to 26, inclusive — can enlist for immediate service or continue the scholastic work required for graduation before being called to active duty.

You must meet the requirements for physical fitness, of course. In addition, you take a new simplified test to determine your ability to grasp the training. A college man should pass it easily.

### \$75 A MONTH DURING TRAINING

Those accepted who wish immediate duty will go into training as rapidly as facilities permit. As an Aviation Cadet, you are paid \$75 a month, with subsistence, quarters, medical care, uniforms, equipment.

In 8 months you can win an officer's commission as a bombardier, navigator or pilot — and be well started on your way to serve America and advance yourself in aviation.

### Three Enlistment Plans for College Men

Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standings.

All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R.O.T.C. plans.)

### MANY BRANCHES OF SERVICE

There are also commissions awarded in ground crew service. College men particularly will be interested in the requirements for Armaments, Communications, Engineering, Meteorology, Photography. If you have engineering experience your chances of getting a commission are excellent.

As a Second Lieutenant on active duty with the Army Air Forces, your pay ranges from \$183 to \$245 a month.

### ACT AT ONCE

If you want to fight for America, this is where your blows will count.

If you want the best training in the world, and years of solid achievement in aviation—the great career field of the future—this is where you belong. Your place is here—in the Army Air Forces.

If you plan to enlist immediately, start getting your necessary papers ready for the Aviation Cadet Examining Board when it meets in your locality. For complete information, see your Faculty Air Force Advisor. You can take your mental and physical examinations the same day you apply. Get further information now.

NOTE: If you wish to enlist and are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today—you can then complete your enlistment before any Aviation Cadet Examining Board.

### Tennis Resume

Considering the tough schedule it faced, the Elon tennis team recently completed a very good season. It holds triumphs over Catawba, 4-3 Atlantic Christian, 7-0, North Carolina State, 4-3, and Guilford, 7-0. On the losing side of the calendar, we were vanquished by a highly favored Duke University team, 6-1, the University of North Carolina, 6-1, Kalamazoo, 7-0, Catawba, 4-3, and twice by the Lenoir-Rhyne Bears, 6-1, and 4-3.

The Carolina team was highly favored and our boys did a good job. Billy Johnston ran Ham Anthony, the

Carolina captain, to three sets. After the Carolina tilt, Kalamazoo Teachers College from Michigan invaded Elon and defeated the local boys 7-0.

The following week Elon encountered Atlantic Christian College and defeated the boys from Wilson 7-0. Catawba was next on the schedule and our boys trounced the Indians, 4-3, with Jimmy Lightbourne, Bobby Johnston, and Billy Johnston taking singles matches and Lightbourne and Billy Johnston taking a doubles contest.

In the next match the Bears from Hickory invaded Elon and defeated the local lads 6-1, Jimmy Lightbourne

winning a singles match for the only Elon point. Also in the same week the boys encountered Catawba and were defeated 4-3.

The following week Elon journeyed to Lenoir-Rhyne and was stopped by the Bears 4-3. Bobby Johnston and John Barney fought four hours before losing in three sets. Our next rival was Guilford and the Elon boys brought home the bacon by blasting Guilford 7-0.

The last match of the year was played at Elon when N. C. State was defeated by Elon 4-3. The State team was highly favored to win but when they yielded both doubles matches they went down before the Christian

onslaught. Both doubles were needed by Elon to clinch the match, and the boys came through with flying colors.

The positions of the team were played as follows: Billy Johnston, 1; Jimmy Lightbourne, 2; John Barney, 3; Bobby Johnston, 4; Bob Lee and Tal Bean, 5. The seniors, Billy Johnston, Barney, Bean, and Lightbourne, will be missed next Spring.

The North State Tennis Tournament will be held at Salisbury on May 8 and 9 and Elon will be represented by Lightbourne and Billy Johnston. Johnston is seeded number two and Lightbourne is rated fourth in the conference.

## Sigma Phi Tops Kappa Psi For Intramural Softball Crown

The steady pitching of the dependable Jack Boone and costly errors on the part of a shaky Kappa Psi infield enabled the classy Sigma Phi softball team to blast out an 11-5 victory and grab the intramural crown from the Kappa Psi club in a loosely played contest last Friday afternoon. The triumph gave the winners a one-game advantage over Kappa Psi in the hotly contested intramural race and insured Sigma Phi of the Softball Trophy for the second successive year. The trophy will be officially presented by Coach Brunansky.

Kappa Psi opened up early as they sent one run across the plate in the first frame. Singles by Watts and Mann, along with a passed ball, accounted for the one-run lead, but Sigma Phi came right back to knot the count in their half of the third as Ernie Johns scored on a fielder's choice.

The see-saw scoring continued in the fourth when Boone tallied for Sigma Phi, only to have it offset by two markers by Kappa Psi in the last of the same round, giving the losers the lead for the last time. Mann with a triple and Atkins with a single provided the heavy stick-work in accounting for this temporary lead.

From the fifth on, the story was entirely different as the powerful Sigma Phi's went on a scoring rampage that put the game on ice. Three walks and three hits netted the victors five runs and a lead that the Kappa Psi's could never overcome, try as they may.

Despite a four-run deficiency, the Kappa Psi's still put up a gallant fight to the finish and managed to push across one run in each of the final two stanzas. Another four-run spurge in the final frame assured Boone of the victory that he so well deserved.

Led by Shaw and Hoffman with two hits each, the Sigma Phi's collected a total of nine hits from the offerings of fire-baller Lewis Nance, the most that he has given in any one game all season. In addition to that, Nance handed out ten free passes, which, added to three errors, spoiled the chances of the favored Kappa Psi's.

The losers tagged Boone for seven hits, six of which were equally divided among Mann, Atkins, and Watts.

### Christians Win Over Apps In Slugfest

In a free-hitting contest, The Elon Christians defeated the Appalachian Mountaineers Monday, April 27, by a score of 18-14 to even the series. The Christians, gaining revenge, produced four runs in the first; added another in the third; scored four more in the fifth; picked up two more in the seventh and climaxed their tallying with a seven-run rally in the ninth.

Molly Craft, Elon's star hurler and outfielder, led the winners attack with a pair of homers and a single. Outfielder Hank Beaudy collected four hits in five chances, one of which was a circuit clout. Bernie Daher contributed Elon's third four-bagger for his lone hit of the battle.

Frosh Johnny Zeissner, credited with the victory, started on the hill for the local nine and worked the first seven innings. Righthander Claude Comer tossed the last two rounds. Hackney, charged with the loss, was blasted from the mound in the third. Gibson and Smawley followed him on the rubber.

### Elon Hands Lenoir Rhyne First Defeat

Elon college closed its 1942 baseball season here Thursday, April 30, by trouncing the Lenoir Rhyne Baseball nine by an 11-0 score.

Molly Craft celebrated the closing of his college career by turning in a brilliant mound job, tossing a four-hit shutout while his teammates slammed out 10 safeties. Craft found himself in trouble only in the second inning when lead-off man Bost tripled and Barger followed with a walk. The tall right-hander then bore down to fan the next three hitters and retire the side. After this frame, no batter got past second base.

This was the first shut-out of the season for Craft and his fourth win against one defeat. The only loss he suffered was from Lenoir Rhyne several weeks ago on the latter's diamond in a fourteen-inning game.

Right-fielder "Harpo" Withers slammed out his first home run of the season in the fifth with a mate on base.

### Coach Brunansky

Shown above is Joseph Brunansky, Assistant Coach at Elon for four years, and Head Coach since February of this year. Brunansky wound up his coaching career at Elon last week by piloting the baseball team to an 11-0 victory over Lenoir-Rhyne. "Joe" as he is affectionately known, expects to leave shortly after commencement to take his place in some branch of the service.
