

Sports Review

L. B. ADCOX

Tuesday, November 23, brought to a close the first phase of the boys' sports program. During the first quarter the boys participated in volleyball, touch football, basketball, running the obstacle course, and calisthenics (from the army angle).

Calisthenics were stressed at first until the boys got into fairly good condition. In taking calisthenics, army commands were used to get the boys in position quickly and thus get a maximum amount of exercise in a minimum of time. Special exercises were used to develop various parts of the body. Each day several series of exercises were used, usually in the following order: for developing the neck, for the arms and shoulders, and for developing the muscles of the legs and trunks. Usually two or three coordination exercises were also used. These exercises were given either from a standing position of attention, a sitting position of attention, the front leaning-rest position, or the rear leaning-rest position.

As the weather began to get cooler, more emphasis was placed on touch football as a vigorous, body contact sport.

Three teams participated in intramural touch football. Although there were some very close and exciting games, the Upperclassmen easily took first place, winning every game during regular, intramural competition. Outstanding players for the Upperclassmen were Bob Lee, Bobby Johnston, and Dwight Kernodle in the backfield, and "Buster" Butler, Shannon Morgan and Clarence Biddix in the line. The Freshmen "Speed Demons" won second place by winning half of their games; they defeated the Burlington Day Students three times, and lost three to the Upperclassmen. The pace-setters for the "Speed Demons" were Rodney South-erland, George Davis and Basil Steed in the backfield, and Wendell Howard, Robert Graham, and Bob Gaskins in the line. Although playing the "Speed Demons" two close games, the Burlington Day Students had to be satisfied with the cellar position.

The most exciting game of the series was the final All-Star game between the Upperclassmen and the Freshmen. This game ended in a 13-13 tie and to break the tie, each team was given the ball on the fifty yard line and five downs to see which could gain the most yardage. The Freshmen won by gaining about eight more yards than the Upperclassmen.

During the winter quarter, special emphasis will be placed on basketball, speedball, tumbling, and gymnastics. Intramural competition will probably be held in basketball and speedball.

WITH ELON BOYS IN THE SERVICE

Have you mailed your Christmas cards to the boys in service? If you have, won't you check your list again and see if you have left out any of the following Elon boys whom you would like to wish a Merry Christmas?

MILLER BASNIGHT AT PARRIS ISLAND WINS LITERARY AWARD AT DUKE

Campus folk remember Miller Basnight for his splendid work in dramatics and in music, and especially his farewell address as president of the Student Body. He is now in Marine Officer Training Corps at Parris Island.

During his preliminary training at Duke University, Basnight submitted to the ARCHIVES, Duke literary magazine, a poem and a short story. These were given first awards for excellence in the university competition.

The winning poem was "Eccentric Star-Dust." You may find it in the ELON COLONNADES of last year.

All-Stars Down Upperclassmen 15-13

The game began with the All-Stars kicking off. Bob Lee of the Upperclassmen received the ball and ran it down to the 50 yard line. Malone tagged Davis, receiver of a long punt made by Biddix on the All-Star 10 yard line. Oakley intercepted a pass and made the first touchdown of the game. Johnston kicked the extra point making the score 7 to 0 in favor of the Upperclassmen.

The All-Stars received. Biddix kicked and the ball went out on the 20 yard line; the All-Stars took it in on their 20 yard line. Davis passed to Howard on the first play and he ran 45 yards for a touchdown. They missed the extra point, making the score 6-7 with the Upperclassmen still in the lead.

The beginning of the second quarter was mostly shuffle action over the 50 yard line. Finally the ball was brought down to the Upperclassmen's 10 yard line. Johnston threw a pass to Malone for a touchdown. Wentz blocked the kick for the extra point and the score was 13 to 6.

There was a substitution. Miller went in for Morgan. The All-Stars received the kickoff and the Upperclassmen were penalized for interference which put the ball back on the 55 yard line. Johnston intercepted a pass and carried the ball to the 30 yard line. Lee was tagged behind the line of scrimmage, a play which resulted in the loss of 15 yards. The whistle blew for the half as the ball was brought down on the All-Star 40 yard line.

In the beginning of the third quarter Yarborough went in for Taylor. The All-Stars received the kick-off and the ball was brought down on the All-Star 45 yard line. The Upperclassmen were penalized for off side. Biddix punted. Davis received and was tagged by Oakley. Morgan went in for Whitesell. Gibbs for Oakley. The All-Stars advanced to the 35 yard line by a pass to Howard. Kernodle received a punt on the 15 yard line. Wentz was relieved by Miller.

At the beginning of the fourth quarter, the All-Stars had the ball on the Upperclassmen's 25 yard line. Howard advanced to the 15 yard line by a pass. Yarborough caught a pass in the end zone; a touchdown for the All-Stars. Davis kicked the extra point making the score at the end of the game 13-13.

An extra quarter was played. The All-Stars gained more yardage in the length of time, adding two points to their score; this giving them the game.

Line-up:
Pos.—Upperclassmen All-Stars
Ends—Butler and Malone Taylor and Howard
Center—Morgan Wentz
Tackles—Biddix and Whitesell Ramseur and Graham
Guards—Lee Gaskins
H. Backs—Kernodle and Oakley Steed and Register
Q. Backs—Johnston Davis
Captain: Lee and Davis.
Officials: Coach Adcox and Lt. Elroy Hooper.

"Building Tomorrow's World Today" Is Conference Subject

On the week-end of November 19-20 there was held at Catawba and Livingston Colleges an inter-racial, inter-denominational conference. The subject of this conference was "Building Tomorrow's World Today." It was under the auspices of the American Friends Service Committee and the North Carolina Council of Churches. The most important objective was to develop a friendlier relationship between all races.

Anup Singh, noted writer and speaker on India, and the Far East, editor of "India Today," and contributor to several other leading periodicals, talked on Friday night. His subject was, "The Future of Asia—Friend or Foe of the West?" On Saturday morning E. Raymond Wilson, executive secretary of the Friends Committee on National Legislation, Washington, D. C., was the speaker. His subject was, "What Does Christianity Demand of Us?" He stated six topics on which we should work to attain our Christian goal, but the one thing he stressed in particular was our support to the government. We should take an increased, individual interest in the affairs of the government.

One of the most interesting periods of the conference was Rayford Logan's discussion, "How Can We Strengthen the Good Neighbor Policy?" Logan is Dean of the Graduate School of Howard University, Washington, D. C., and an authority on Latin American. He said the Latin-Americans cannot understand the Americans' sudden changed attitude toward them. They think the reason for this friendliness is for some personal gain on our part.

Besides the foregoing speakers, there were present other authorities on International Affairs. Discussion groups were held in which all races and denominations alike expressed themselves on what the world tomorrow should be like. Delegates were present from twenty-five to thirty colleges in the state.

Have a "Coke" = Good winds have blown you here

... a way to say "We are friends" to the Chinese

China knew Coca-Cola before the war. Where Coca-Cola is on hand today, to Chinese and Yank alike, Have a "Coke" are welcome words. Around the globe Coca-Cola stands for the pause that refreshes,—has become a symbol of good will.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
Burlington Coca-Cola Bottling Co., Burlington, N. C.

"Coke" = Coca-Cola
It's natural for popular names to acquire friendly abbreviations. That's why you hear Coca-Cola called "Coke".
