Legislature Enacts Bills

The Student Legislature, at its most recent meeting on Monday night, December 4th, found money bills and principal business on the agenda.

The legislators set aside a total of \$225 for the expenses of the winter formal next month, including \$150 for the band, \$25 for use of the gymnasium and \$50 for decorations, refreshments, invitations and other incidentals.

They also appropriated the money to pay \$10 student dues for Elon in the North State Conference Legislature, along with funds to pay the expenses of the Elon student leaders who attended the annual gathering at Lenoir-Rhyne.

The group defeated a proposal to pay expenses of Elon student representatives, who went to High Point to investigate a reported painting incident that preceded the annual Elon-High Point football game. Instead, it was voted to request that the trip be paid for out of regular college funds.

part of the students of competing schools, sportsmanship on the field and in the stands, manner of reception of visiting teams, conduct of visiting teams and students on the home campus, and manner of reply to correspondence concerning athletic activities were suggested as things to consider before nominating schools for the award.

It was suggested that poll be made of the athletic teams, the coaching staffs and the student body to determine the nominee of each member college. The nominees will be presented to the Council in one, two, three order, with the college receiving the most votes getting the trophy. The spring meeting, at which time the trophy will be awarded, will be held at East Carolina Teachers College.

Tar Heels And Deacons Win From Elon Cagers

The Elon Christians opened their 1950-51 basketball campaign by dropping a pair of thrilling encounters to the University of North Carolina Tar Heels and the Wake Forest Deacons, both contests being played on the floor of the Alumni Memorial Gymnasium here. The games marked the first appearance of "Big Four" teams here in more than twenty years.

The Carolina game, which was featured by the formal dedication of Elon's huge new gymnasium, saw the Christian cagers match point for point with the larger Tar Heels through the early part of the game, but the superior height, greater reserve strength and experience enabled the Carolina outfit to pull away to a 57-48 victory in the closing minutes of the game.

Dr. N. F. Brannock Has New Birthday

Dr. N. F. Brannock, the real veteran of the Elon College faculty, had a new birthday on Tuesday, November 28th, marking the conclusion of another year of service to the students and the college itself.

He observed the occasion by carrying out his duties in the Chemistry Department as usual, which is just what he has been doing for the past forty-two years. He came to Elon much longer ago than that, for he graduated from Elon with the Class of 1899.

Dr. Brannock received the M. A. Degree at that time, and he later received the M. S. Degree from Columbia and pursued advanced work at Johns Hopkins and the University of North Carolina. He was awarded the honorary Litt. D. by Defiance College.

High Point surprised everybody at the annual meeting of the North State Conference coaches. She decided to drop football and concentrate on basketball. Officials stated that the sport was running deeper into the red each year from a financial standpoint. * * *
