ITK Holds Leadership In Softball

By GARY SEARS

The Intramural softball season is well underway, and three teams have already shown sufficient strength to indicate that they will be contenders for the title right down to the wire, with the possibility looming this early in the season that the title may not be decided until the final week of the campaign.

The ITK team, playing well be- ference race hind the fine pitching of Husky

STUDENT FACULTY COMMITTEE Y WINS IN ELON DIAMOND CAMPAIGN

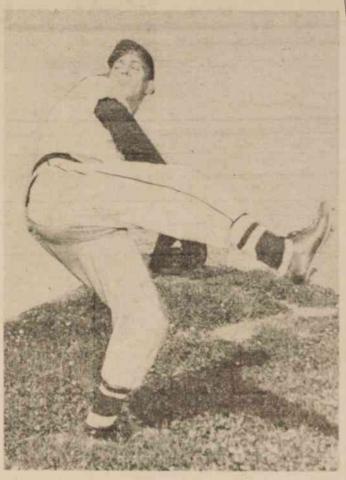

Sherrill Hall

Sherrill Hall (left) and Charlie Swicegood (right) have each turned in three victories for the Eion diamond squad in early games and have proven potent factors in the Christians' bid for 1953 championship honors. Right behind them is Luther Conger, another letter winner of last year, who has copped two victories

Both Hall and Swicegood are sophomores, and each has shown much improvement in early games this year over their work as freshmen a year ago. Hall. who came to Elon from King High, is a tall right-hander who has been truly impressive in his three victories, which included a 3 to 0 win over Ohio University, a 3 to 2 victory over East Carolina and a 4 to 3 eleven - inning triumph over Guilford.

Swicegood, who was the starting pitcher and winner over Williams College 3 to 0, has added his other two victories over the Atlantic Christian Bulldogs, One of them was a 14 to 1 victory at Wilson, while the other was a thrilling 2 to 0 decision over the Bulldogs here last Saturday in which the Lexington left-hander let the Atlantic Christian nine down without a hit. Swicegood's no-hitter was the first in Elon diamond history, according to statements from fans here who have watched Christian baseball for many years.

Reid Holds Top Place In Batting

Co-Captain Carroll Reid blasted hree hits in five trips in the doule victory over Atlantic Christian ast Saturday and shoved his bating average back above the .400 nark to retain the hitting leadership among the regulars on the Elon College diamond squad. One pinch-hitting reserve was hitting head of him.

With eleven games already played, the fleet-footed outfielder had banged out fifteen hits in hirty-seven trips for a mark of 406, which gave him a slight lead vor Bobby Stewart, who switched his year from the outfield to third base. Stewart smacked three nits in six tries against the Bulllogs last Saturday and was right thirty-eight trips for a .395

Nick Thompson, freshman shortstop, kept his fine hitting pace and was pounding the ball at a .348 clip, but he was the only other member of the Christian squad to rank in the magic .300

The Christians were hitting for a squad average of .263, showing an average of 8.5 hits per game. The opposing teams were averaging only 47 safeties for each game, proof of the excellent mound work of the Elon pitchers, who had held the enemy batters to five hits or les seven times this season. Top mound job of the year has been Charlie Swicegood's nohitter against Atlantic Christian.

No less than seven different Elon players shared the lead in other departments of play, with Carroll Reid and Jimmy Dalton each leading two brackets. Reid holds the lead in two-baggers with four doubles and also leads in stolen bases with 10 thefts. Dalton leads in runs-batted-in with nine, and in homers with three round-tripers

Sherrill Hall and Charlie Swicegood were topping the pitchers last weekend with three victories apiece, but Luther Conger right behind with two wins to his 100 000 000—1 5 3 credit. The three Elon defeats it pegged the Christians' season played on the Elon field on Wed- Swicegood and Jones, McDan- ger and Smith. Hall was tops in the most walks, while Swicegood had the top mark in hits allowed
