Nominations Made For Student Government Posts

Parking And Chapel Seat System Set

Systematic regulations concernparking of automobiles on the pus and the seating of stuin chapel were announced chapel on Monday morning. ch 28th, and officers of the administration request complete cooperation of students with the regulations The parking regulations set a portion of the area north Alamance building, including spaces immediately facing the thern entrance to Alamance for members of the college inistrative staff and faculty hat portion of the regulation a change from previous arngements, but the "no parking" gulation for space around the at adequate parking for stu cars is available on the oval orth of Alamance Building, on parking lot adjoining the gymium and along the streets adnt to the campus.

The new regulations pertaining seating of students in chapel, hich provides that the students hall be seated alphabetically by asses, was adopted as a means provide more rapid checking student attendance and to enble the students to vacate Whit-Auditorium more quickly at e close of services. Both aims ave been realized in the firs avs in which the seating arrange nent has been used.

College Group Takes Part In TV Show

A group of students from the lon College dramatic department nited with the choir of the Webb Avenue Methodist Church of Burington, presented "The Triumph f the Cross," a Lenten cantata by H. Alexander Matthews, over Greensboro's WFMY-TV last Sunay afternoon, April 3rd.
