

Danieleys Entertain At Yule Reception

Dr. and Mrs. J. E. Danieley were hosts to the Elon College faculty and students at their annual Christmas "Open House" reception on Friday, December 13th, at the college's presidential home near the campus.

The student "Open House" was held from 3 until 5 o'clock in the afternoon, with the student group named this year to Who's Who in American Colleges and Universities as the honor guests for the occasion.

The faculty of the college was received at a second reception held from 7 until 9 o'clock that night, with the new members of the faculty this year, along with their wives and husbands, as the honored group.

Dr. and Mrs. Danieley greeted the arriving guests at the front door for both the afternoon and night occasions and ushered them into the living

room where the honored guests were formed in a receiving line.

At the student reception in the afternoon Miss Lily Smith invited the guests to the family room, where they were greeted by Robert Gwaltney, the college registrar. Those pouring in the afternoon were Mrs. Alice McCulloch and Miss Louise Watkins. Good-byes were said to Prof. Alfred Hassell.

At the faculty reception those pouring in the dining room were Mrs. Robert Moffett and Mrs. W. W. Sloan. The good-byes were said to Dr. and Mrs. A. L. Hook.

NEW BUILDING

(Continued from page 1) was let to the Jack O. Farrell contracting company of Sanford. Sub contracts for items such as plumbing and electrical system will be arranged by the Farrell concern.

The first dirt on the new project was turned on December 23rd, but inclement weather in late December and early January has delayed the actual beginning of building activities. The structure will be completed and ready for occupancy by January 1, 1970.

★ ★ ★

The big "see-through" trend may have started out as a fashionable joke in women's wear but it seems to have been taken seriously by shirt-makers for men.

The news in masculine sportswear is the "transparent" shirt. First seen last season at Acapulco, it is now shown around the country in sheer lace, voile, cotton chiffon and other translucent fabrics.

In regular shirts, tone-on-tone jacquard fabrics are new, and collars are appearing in a whole range of styles. Many are higher and wider, the better to show off the big-knot wide ties that come in deep, bright colors.

ending with an epic victory over Lenoir Rhyne in the final game of the season.

ON ALL-AMERICAN GRID SQUAD

Richard McGeorge became the newest of the group of Elon College grid stars to win All-American honors when he was named just before Christmas as an offensive end on the annual Kodak All-American football squad, a team chosen by more than 1,000 members of the American Football Coaches Association for the 1968 season.

Elon Splits LR Tilts

The Bruins broke away to an early lead, and with Elon hitting only 27 per cent from the floor during the first half, the Lenoir Rhyne cagers

were ahead by 33 to 19 at the half. At one point the Bears had scored 13 consecutive points while holding Elon scoreless.

The Christians made a splendid comeback effort after the break, and they outscored the Bears by a 37-26 margin during the final twenty minutes of

action. However, it was just a case of too little and too late, and the drive fell three points short.

Richard McGeorge and Bill Bowes each racked 12 points to lead the Elon scoring for the night, with Tommy Cole hitting 11 counters during the fray.

Lenoir Rhyne also had three men in double digits, with John Davidson, Gerald Mills and Vernon Long leading the Bruin assault.
