

CHRISTIAN GOLF TEAM TO CARRY ELON COLORS IN NATIONAL NAIA TOURNEY

The Elon College golf team, which clinched the team championship for NAIA District 26 and finished as runner-up to Presbyterian in the annual Carolinas Conference tournament in the play-off held recently at Cashiers in Western North Carolina, is pictured above. Outstanding in the play of the fine Christian golf squad was the fact that Bick Long, Elon's Number One linksman, won both the NAIA District and the Carolinas Conference individual crowns. It was the first team title and the first individual triumphs for Elon since 1959. The

Elon Squad won the right to play in the NAIA national tournament in Texas in mid-June. Pictured left to right in the above picture are Coach Gary Mattocks, Bick Long, of Burlington; Tom Johnson, of Wilson; Bill Dickerson, of Suffolk, Va.; Charles Woody, of Roxboro; Frank Webster, of Madison; and George Watts, of Wadesboro. Mickey Combs, who played in many of the team matches during the season, did not play in the tournament and was not present for the picture.

Christian Cinder Squad Sets Four New All-Time Records

The Elon College cindermen, who posted Elon's first undefeated record during its regular season with a mark of five straight victories, set four new Elon all-time records as the Christian squad swept through its unbeaten campaign.

The oldest record to fall beneath the flying feet of the 1969 cindermen was the mile relay mark, which had been set fourteen years ago in 1955 by Lynn Newcomb, Kerry Richards, Bobby Green and Horst Mevius. They did the mile in 3 minutes 33.5 seconds, but this 1969 relay quartet set a new mark of 3 minutes 32.4 seconds against Guilford.

The fine Christian relay four for 1969, which improved steadily throughout the season, included Joe Freve, Phil Cook, John Austin and Bruce McFerren. The quartet, which included two juniors and two freshmen, should all be back next season and should lower its own mark.

The other Christian record setters this spring included Ron Bolton with a mark of 43 feet 5 inches in the triple jump, Rex Davis with a record

of 12 feet 9 1/2 inches, and Jerry Younger with a mark of 184 feet 5 inches in the javelin. Bolton set his mark against Guilford and Campbell in a triangular meet, while Davis and Younger set their records in a dual meet at Guilford.

As the 1969 season came to a close, the complete set of Elon track records included the following marks, with time, holder and time they were set. The record for the high jump has been tied eight times. The records follow:

- 100 YARD DASH -- 9.8 secs. -- Eddie Bridges in Lenoir Rhyne- Atlantic Christian meet in 1956.
- 220 YARD DASH -- 22 secs. -- Don Crews in Atlantic Christian meet in 1968.
- 440 YARD DASH -- 50.5 secs. -- Horst Mevius in Wake Forest meet in 1955.
- 880 YARD RUN --- 1 min. 59.5 secs. -- Horst Mevius in Lynchburg Meet, 1955.
- MILE RUN -- 4 mins. 33.4 secs. -- Roland Miller in Guilford-Catawba meet in 1963.
- TWO-MILE RUN -- 9 mins. 56.3 secs. -- Roland Miller in Ca-

tawba-Campbell meet in 1962.

THREE-MILE RUN -- No official Elon record. Claus Alexanderson was robbed of a record due to a short measure of 11 laps instead of 12 laps in a meet in 1968.

120 YARD HIGH HURDLES -- 15.15 secs. -- Eddie Burke in High Point meet in 1959.

220 YARD LOW HURDLES -- 25.25 secs. -- Eddie Burke in High Point meet in 1959.

330 INTERMEDIATE HURDLES -- 44.3 secs. -- Dickie Walters in Atlantic Christian meet in 1967.

440 INTERMEDIATE HURDLES -- 60 secs. -- Joe Freve in Atlantic Christian meet in 1968.

HIGH JUMP -- 5 feet 8 inches -- Originally set by Len Greenwood and Dave Mondy in Conference meet in 1950, later tied by Len Greenwood twice in 1956, Larry Gregg in 1956, Eddie Burke twice in 1958 and Wright Anderson in 1966.

BROAD JUMP -- 21 feet 3 1/2 inches -- Rich Bradham in Lynchburg meet in 1956.

TRIPLE JUMP -- 43 feet 5 inches -- Ron Bolton
