Elon Travels To Tenn.

By GARY DEAN
The Elon Fighting Christians, after three straight home games, hit the road again this Saturday as they travel to Jefferson City, Tenn., to take on the Carson-Newman Eagles. The game, Homecoming for the Eagles, will be played at 2:30 p.m. in the Eagles' Burke Tarr Stadium.

Coach Richie Gaskell's Eagles are off to another fine start this year as they have compiled a record of two wins, one loss, and one tie thus far.

The Eagles will field a largely veteran team against the Christians as they have a host of returning lettermen. The potent Eagle offense is led by such veterans as end Tom Jones, fullback Tom Wampler, guard Jim Chambers, and center Daffin Anderson.

The hard hitting Eagle defense also has several top notch veterans returning in the presence of defensive backs Bubba May and Larry Lay, middle guard Buzzy Stokes, and linebacker Bill Wilson.

The Christians, who have lost to the Eagles for the past two years, will be out to avenge these defeats in a big way. There is nothing the Christians would rather do than to spoil the Eagles Homecoming.

JOHNSON

Football Coach Is Elon Grad

By RICHARD YOUNANS

The Elon College coaching staff has a new face this year. Coach Clayton Johnson is assuming duties as backfield coach for the Fighting Christians, and is well qualified to assume the responsibilities.

Coach Johnson was graduated from Elon College in 1965 with a degree in Physical Education. He played half-back for four years of varsity football and also was on the track team. Besides being the backfield coach, Coach Johnson teaches in the physical education department, mainly health and community hygiene.

According to Coach Johnson, the brand of football has not changed much since he played in college, with only minor changes in the official rules of the game. In a comparison of players ability of previous years and today's, Coach Johnson stated, "Players of previous year's were somewhat larger and meaner, since stress was placed on the running game more than in modern football. Modern day football players seem to be faster and stress is placed more on the passing game."

In talking about how it feels coming back to his alma mater to coach, Coach Johnson replied, "there is some pressure but not enough to make you uncomfortable, and I am happy to be a member of a real fine coaching staff. The boys are very friendly and there should be no problems."

Asked about the football team in general, Coach Johnson said, "we have a fine group of boys who work very hard, and if everything falls into place, we should have a real fine ballclub."
