

## The Freshmen

A portion of the Freshman class of 1948. Members of the group represent many centers along the Atlantic Coast from New York to Atlanta and territory inland as far as Kentucky, Tennessee, and Kansas. Howard Faison, absent from the picture, is president of the class. He comes from Clinton.

### Newbold P. T. A. Groups

The Newbold Laboratory School P. T. A. holds its meetings on the second Monday evening of each month. The organization is divided into groups, seven in all, according to the sections of town from which the children come. Group meetings are held twice a month in the several communities. The program committee of the several organizations plans the program of study for the year. Along with this study, the groups assist the school in many ways.

Last year the Newbold P. T. A. gave the school a large flag of North Carolina, a large flag of the United States, 12 dozen glasses for the cafeteria, 100 spoons, 100 forks, a large dish truck, and a bicycle rack. The Association also had the entire cafeteria screened and the tables painted. Certain groups bought albums of records for music appreciation; an other groups bought twenty-five dollars (\$25.00) worth of community

song books for use at the assembly periods.

Each year the P. T. A. sponsors a Hallowe'en carnival and this school year will be no exception to the rule. Already a group has painted the teacher's rest room and equipped it with curtains, draperies, scarfs and the like. Each year the Association gives twenty-five dollars (\$25.00) for the upkeep of the Newbold Clinic room.

#### Y. W. C. A.

(Continued from page 1)

team has shown by presenting it with a large, beautifully-decorated basket of fruit, and a card wishing the team success. Each member of the cabinet signed the card. Some slogans read, "We Are All Behind You Boys, Fight". "You Can't Be Licked, Fight, Fight, Fight," and "We Are All Rooting for You." Also, a Bible study hour is being conducted each week by Miss June McCowan, Chairman of the Worship Committee.

On Sunday evening October 23, the Association held its annual recognition services in Smith

auditorium. The decorations were beautiful. With Miss Mollie Boone, local president, presiding, the program got under way with a solo, "How Lovely Are Thy Dwellings" by Miss Mary E. Terry of the Music Department. The guest speaker was Mrs. Mildred W. Newton, Director of the Y. W. C. A. Service Center, Fayetteville, North Carolina, who took the position that "the Young Women's Christian Association represents a way of life." With the candle-lighting ceremonies 75 new members were inducted into the "Circle of Light." The new "Y" cabinet for the present school year includes Mollie Boone, President; Addie Williams, Vice President; Annie Witherspoon, Recording secretary; Queen E. Weaver, Corresponding secretary; Dorothy Crawley, Treasurer; Josephine Mann, Chairman: Freshman Committee; Alena Stokes, Chairman: Community Committee; Artelya Whitley, Chairman: Membership Committee; June McCowan, Chairman: Worship Committee; Virginia McMillian, Chairman: Publicity Committee; Lula Williams and Thelma Harris, Co-Chairmen: Social Ser-

vice Committee and Thelma Garris and Jane Chandler, Co-Chairmen: World Affairs Committee.

"One mark of an educated man," some one has said, "is the ability to do cheerfully and gracefully all day long what one had much rather not do."

### Delegate

The YW's delegate to the annual "Y" Conference at Berea College at Berea, Kentucky last June was Miss Ella J. Chandler of Buffalo Springs, Virginia.
