

Winner

Golf Honors To Carter

Tall, twenty-one year old Willie Carter, a junior from Mamaronck, New York added another laurel to his record when he came through as winner of the Tri-State Amateur Medalist Golf Tournament recently held at Charlotte, North Carolina. Carter defeated Ronald Jones of Charlotte with a qualifying score of 70, and in the first match, beat Jones again with a 70. In the quarter finals Carter took Roddy Tate of Charlotte with a 71, and came back on Sunday with a 72. Although a series of crack shots gave William Hayes of Charlotte the match, Carter was the tournament medalist with a total of 283.

JOHNNY BUTLER SAYS

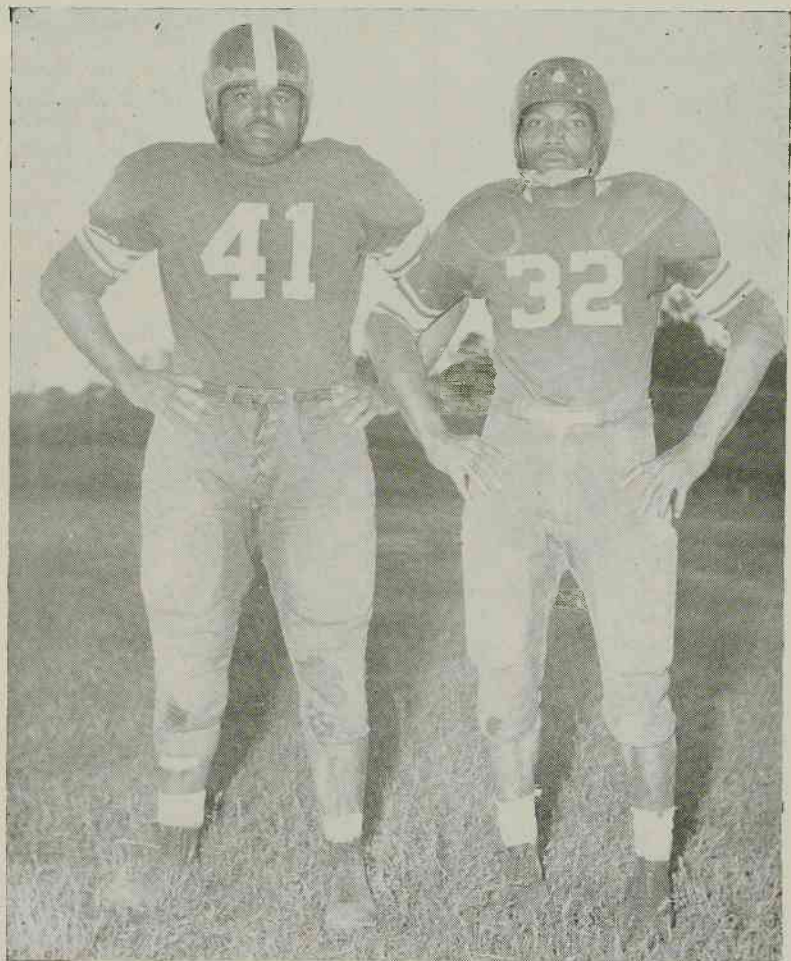

Hello everybody. This is ye ole sports professor bringing you the gridiron menu. Let's see what's cooking.

The Broncos got off to a flying start on October 2 to cop an 8-0 victory from the St. Paul eleven. The first and only touchdown of the day came as result of "co-captain" Harrison's tossing a 35-yard pass to "Red" Worsley who made a beautiful running catch and went over standing up. Spurill's conversion missed by inches.

The following week-end, October 9, the Broncos took a 31-0 licking at the hands of the "Rams" of Winston-Salem. Hats off to the Broncos for the never-say-die spirit they displayed on October 16 when the chips were down in the St. Augustine game. With State trailing 13-0 in the second quarter, "Little Dog" Harrison passed to left end Worsley for the first Bronco score. Shortly thereafter, Spurill shot one of his bullet-like passes to "lanky" Kenneth White for another six pointer. The conversions by Morton were wide and the half ended with the Broncos trailing 13-12. The St. Augustine eleven managed to push over another touchdown in the final quarter and the game ended 19-12 with the Broncos knocking on the door of the "promised land."

The Broncos came back one week later, October 23, against Morristown College from Morristown, Tennessee determined to avenge the two previous losses and trounced the Tennessee eleven 21-0. There was just too much "Little Aggie" Spurill. "Skeeter

Co-Captains

Right Tackle Harold Cushinbery, and halfback William Harrison are two reasons for State's success in football this year.

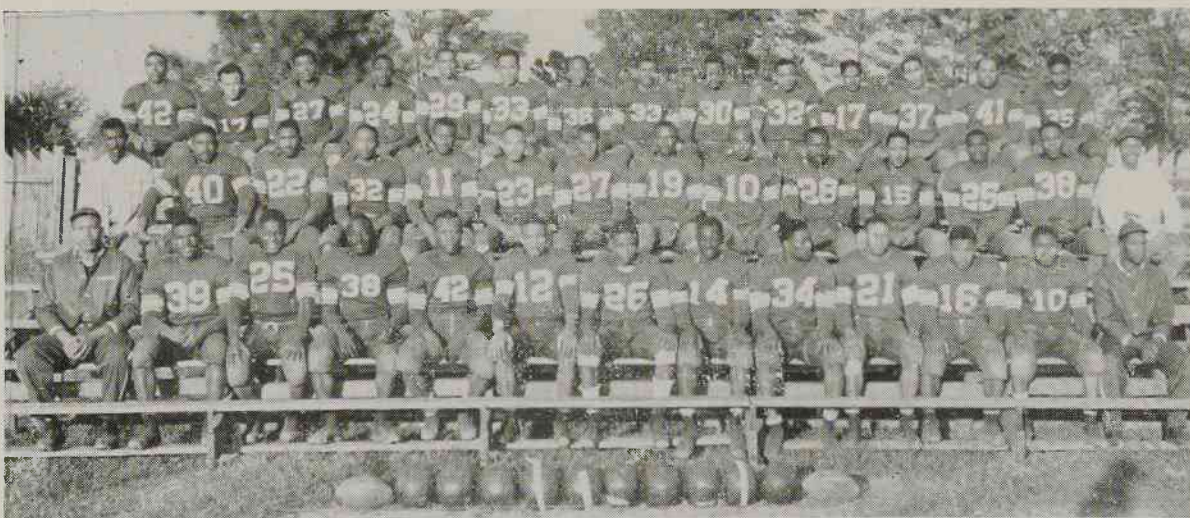

Hawk" McAllister recovered a fumble on the opponent's 30 yard line. After successive gains by Eargle, Morton, and Harrison, Spruill went off tackle for 8 yards and a touchdown. Spurill's

attempted conversion was short of the mark. The second touchdown came as result of another Morristown fumble recovered by co-captain Cushinberry on the Morristown 45. After two thrusts at the opponent's forward wall which did not give, the Broncos took to the air. Harrison tossed a pass and Spurill who, making a spectacular overhead catch, streaked across the goal-line for another 6 points. Spurill's conversion was good. The Broncos kicked to the opponents who returned the pigskin to the 20. After several attempts to penetrate the Bronco line had failed, Edwards faded back to toss a pass only to be smothered in the end zone by a host of blue-clad Broncos (Black, Cushinberry, Lord, McAlister, Melvin, and Mumford). The officials ruled it a safety and the Broncos led 15-0. Fullback Thad McCurry drove through the Morristown forward wall for the final touchdown of the game. Jimmy Burch gave the crowd what it had been looking for when throughout the game he booted the pigskin for an average of 65 yards.

It was the first conference game for the Broncos this season. The remaining conference tilts are with Norfolk Unit, Livingstone College, and Elizabeth City Teachers College.
