## — BOOK CLUB —

The Charles Waddell Chesnut Book Club has made tremendous progress in the past two quarters. One of the highlights of the club's activities was a play entitled "Girls in Books," which was presented during Book Week. The members of the club worked so well with this production that the library staff gave them a party.

The bulletin board displays have been kept very interesting by the members of the club under the supervision of Mrs. Hightower. The purpose of these displays is to help the campus family keep up-to-date with the happenings of the months and occasions at hand, as well as to beautify our library and display interesting literature.

During the second quarter, the members took lessons in library appreciation to aid them in setting up a library. This class was well attended at all times and was quite informative. The members learned the primary steps of serving as an elementary school librarian.

The library has added to its collection many new books in all classes. Our slogan this year is "Resolve to read one serious book a month."

Several activities have been planned for the remainder of the school term.

WESTMINSTER FELLOWSHIP—Shown here are members of Westminster Fellowship, a campus religious group, sponsored by College Heights Presbyterian Church.

## WESTMINSTER FELLOWSHIP GROWS

The Westminster Fellowship, a campus Christian Organization, began its second year with a banquet at the College Heights Presbyterian Church. Guests included the Presbyterian Congregation, Fayetteville State Teachers College students, and students from the University of North Carolina.

Thus far, the organization has experienced a wholesome number of activities. The activities began with a Synod Council meeting held at the West Raleigh First Presbyterian Church in Raleigh, N. C. The purpose was to make laws which will govern all Westminster Fellowship. Other activities included a series of 15-minute radio programs over Station WFLB. We have been fortunate to have delegates attend the USCC Conference at Davidson College near Charlotte, N. C. Other conferences were held at Bricks and Red Springs, N. C.

For the first time in the history of W. F., Camp New Hope, located near Chapel Hill, has permitted an inter-racial meeting to be held on its grounds. Five delegates attended this meeting. They were: Leroy Horsley, Barbara Burke, Martha Trice, Lorraine Manley and Mary Phifer.

The Westminster Fellowship holds its weekly meetings on the ground floor of the Administration Building. We invite all students, regardless of faith, to come in and join our discussions. The discussions are built on the problems which face college students. A textbook entitled "That They May Have Life" by Miles, and the Bible are best sources of references. Through these activities, we are striving to meet the challenge which is presented in the spiritual needs of students.

The Westminster Fellowship made its contribution to the assembly programs by way of a one-act play, "The Westminster Fellowship on Trial," in the Seabrook Auditorium, February, 1957. The characters were as follows: Eli Anderson—lawyer, Barbara Burke—college professor, Emma Collins—student, Mary Dunham—clerk of court, Lois Hill—a mother, Leroy Horsley—student.
