Briefs Of Williams Hall

J. F. Cummings

The men of Williams Hall Dormitory, directed by Dr. Joseph Knuckles and Professor William King, had their first meeting early in the school year to formulate plans for the year's activities. The group chose strong men as officers to lead their activities. These men included:

President, Luther Whitted; Vice-President, James Ebron; Secretary, Nathaniel Davis; Treasurer, Harvey Daye; Representative to the Student Council, Melvin Thompson.

These men pledged to uphold the ideals and standards set by the dormitory association, and to render services to the best of their abilities.

Williams Hall has begun to work. We have sponsored two open house activities, which called for much planning and preparation on the part of the members. Future plans include a Christmas project, a Sunday School and Chapel program, and entertainment for the girls of the campus. Also, the mighty basketball team of the dormitory is practicing for an "all winning" victory.

Bickett Hall News

The Bickett Hall Dormitory Association was organized during the first quarter of this school year.

The following officers and counselors were elected:

- President... Dawn Gloria Diggs
- Vice President... Ernestine Thompson
- Secretary... Dorothy Smith
- Assistant Secretary... Beulah Brown
- Treasurer... Mrs. Gannaway

Counselors: Irene Downey, Jerusha McCoy, Everlina Foye, Elizabeth Williamson, Katie McNeill and Edna Glaspie.

A number of girls from Bickett Hall attended the Charm Clinic which was held at the E. E. Smith High School. New and various ideas presented have developed a more courteous attitude among our group. The feeling that you "Look" as well as you can is the smallest courtesy that you can show yourself.

One Friday night before the holidays, the girls surprised our counselor, Mrs. Gannaway, with a birthday party. Delicious refreshments were enjoyed. Mrs. Gannaway received many beautiful gifts.

Our Christmas party was given on Dec. 14, 1959. We are hoping everyone enjoyed a very merry and enjoyable holiday.

We are anticipating a continued prosperous and successful school year.

Briefs of Epsilon Zeta

By Major Boyd

Alphas of Epsilon Zeta Chapter of Fayetteville State Teachers College kicked off in what one Brother calls "high gear." During the first meeting the plans for the Fall quarter were laid on the table.

During the introductory program, Brother Eugene Hunter sat with other Greeks and declared to freshmen that Alpha's place in the world could not be filled by any substitute.

At the All-Greek social affair, it was said that the "Alpha Phi Alpha Fraternity was well represented by Brothers in attendance." The remarks and songs were stiff competition for other organizations.

During the celebration of Education for Citizenship Week, the chapter invited the Reverend Brother Franklin Wilson, pastor of the Bethany Presbyterian Church of Lumberton, to speak to the student body. This challenging and inspiring speaker helped the Alpha's program to rate high among chapel programs.

During the first quarter the Epsilon Zeta Chapter selected Miss Hilda L. Davis, Alpha Sweetheart of the Year at a regular campus dinner. Brother McDaniel, presiding at the gathering, said that Miss Davis "displays Alpha's ideas of a sweetheart — possessing outstanding character, ebouesent beauty, exuberant friendliness, and high scholarship."

Miss Davis is a native of Kinston, North Carolina, and the daughter of Mr. and Mrs. Leo T. R. Davis. At the college, Hilda is a senior and a member of numer-

ous organization which include Alpha Kappa Alpha Sorority. Miss Davis will be crowned in the early spring at a special Alpha Sweetheart Program.

The Brothers of Epsilon Zeta would like to extend a hand of welcome to our new brother, Calvin McDonald. The Fraternity would like to congratulate him for who in American Colleges and Universities.

Brothers Eugene Hunter and Luther McKeithan played their last season of football with the Fayetteville Broncos. They were two of the outstanding players of this year's team and with them the Broncos shared the glory in their victory over Johnson C. Smith at our annual Homecoming game.

A New Day

Ralph Waldo Emerson held no brief with those who cry over spilt milk. And though he had no notion of the turmoil to face those who would live in the 20th century, his philosophy is particularly apt: "Finish every day and be done with it. You have done what you could. Some blunders and absurdities no doubt crept in; forget them as soon as you can. Tomorrow is a new day; begin it well and serenely and with too high a spirit to be cumbered with your old nonsense. This day is all that is good and fair. It is too dear, with its hopes and invitations, to waste a moment on the yesterday."

"Ques" News

Delta Gamma Chapter of the Omega Psi Phi Fraternity, under the counsel of Dr. H. M. Eldridge, has gotten off to a rampaging start this year. Although we lost five brothers through graduation last year, the chapter gained four more through initiation, bringing the total membership to sixteen. The four brothers who were initiated this fall were Willie Dancy, George Wilson, Virgil Franklin, and Fred Jackson. Brothers Lock Beachum, Charles Robertson, Joseph Washington, Robert Gordon, Thomas Council, Henry Hamilton, Randolph Johnson, Frederick Rodgers, Roosevelt Ellis, Jude Wright, Samuel Bullock, and James Ebron returned this year with new insight and vigor.

The Brothers of Delta Gamma have participated in several programs this year. In November, they chose Miss Doris Goss, a senior from Durham, as "Omega Sweetheart" for 1959-1960 school year. On October 31, the "Omega Players" presented a three act play entitled *Visit to a Small Planet* by Gore Vidal. Brother Frederick Rodgers, a senior from Williamston, North Carolina, was chosen six District's Scholar of the Year.

The Delta Gamma Chapter has striven and will continue to strive in all its endeavors to help make Fayetteville State Teachers College a wonderful campus.
