Teaching

To a child thrust into a strange world, a teacher is the best thing that can happen.

A teacher is courage with Kleenex in its pocket, sympathy struggling with a snow-suit, and patience with papers to grade.

Teachers spend 12 hours a day searching for truth and the other 12 searching for errors.

A teacher does not rally mind snuffles, squirmings, stomach aches and spills. Neither does she disintegrate before tears, fights, futility, excuses, parents who spout, little boys who shout and little girls who pout.

Most of all a teacher is somebody who likes somebody else's children — and has strength left to go to the PTA meeting.

Senior Class Briefs

Clyde O. McDaniel

Seemingly, the senior class is a regular beehive with all sorts of activities going on inside. There were over 40 seniors who "crossed the burning sands" of student teaching last quarter. They can now take a breather, while around 40 more students venture into the realm of the public school system. Among the students who were graduated at the end of the first quarter are: William Hilliard, Eli Pracy, Evelena Mitchell, Judith Nixon, Jannie Bass, Nancy Ferree, and Fleming Pearce.

We are proud to boast that Major Boyd is captain of the basketball team. It makes the senior class feel even more egotistic when we enumerate the seniors on the football team. Among them were: Robert Gordon, Luther McKeithan, Frederick Rodgers Charles Johnson, Jack Thompson, Jack Wright, James Ebron, Harold Davis, and Eugene Hunter.

Meanwhile, under the advisanship of Mr. D. A. Williams, the senior class is busy making plans for "G. Day." These plans include outlines for (1) Cap and Gown Day (2) Purchasing a gift for the College (4) Class Night (5) Commencement (6) Junior-Senior Dance, and let's not forget — The National Teachers Examination.

ON MOVING UP

1900—Grandma had a caller
Who had a timid heart,
When they sat together
They sat _____ this far apart.

1960—Whenever daughter's
steady calls,
He greets her with a kiss.
When they sit together,
They sit closeup like this.

RENEE SHUSHELIA

The newest addition to FSTC's College Family is little Renee Shushelia, daughter of Dean and Mrs. Charles D. Sanders. She made her arrival on December 9, 1959. Look for Renee in the Freshman Class in the fall.
