On October 28, 1961, we sent one of our sorors to represent us at the Basilei Conference which convened in Bluefield, West Virginia.

Best wishes for a successful year.

Let's Get Some Shakespeare Into The Conversation

LET'S SAY:

"Stand not upon the order of your going, but go at once." (Macbeth)

"My Lord, I am a man whom Fortune hath cruelly scratched." (All's Well That Ends Well)

"Master Brook, there was the rankest compound of villainous smell that ever offended nostril." (The Merry Wives of Windsor)

"I have heard of your paintings too, well enough; God has given you one face, and you make yourselves another." (Hamlet)

"Oh! that this too too solid flesh would melt. . . ." (Hamlet)

The Sigma Jist

Bon Voyage! Education is a continuous process of adjusting to life's experiences, so is the college experience as long as you remain one of its members. The Pi Chapter of Phi Beta Sigma Fraternity extends to you, the new students, a challenge in making your stay at Fayetteville State Teachers College paramount in your chain of experiences.

The return to the campus of one of our brothers — David McNair — adds to our great expectations for the year. Before his leave of one year, Brother McNair was inducted into the Alpha Kappa Mu National Honor Society. He is also a member of "Who's Who Among Students in American Universities and Colleges."

As far as expectations go, the fraternity plans to have its usual annual social events at State this year. Included among them are: The Bigger and Better Business Week Program; The Sigma Sweet-heart Dance; The Founders' Day Observance; and the Sigma-Zeta sponsored Zetalite Ball.

In addition to the social events sponsored by the Fraternity, educational betterments are evident in our international program. Each year the outstanding male students in our Pledge Club receive a cash award for excellence in scholarship.

Since the term Bon Voyage has several meanings, we wish to emphasize the "pleasant trip" denotation. Remember that Phi Beta Sigma Fraternity is always your companion on this sail through college life.

Business Students Speak

"Success is our goal, and will be attained by all." Students in Secretarial Science stress maintaining high scholarship in order to make 'success a habit.' The success factor as stressed by these students is achievement which is composed of talent, aptitude, skills, and instinct.

Looking back over the records of achievement of graduates of this department — and we do believe that these records should be considered for qualities and capabilities that made these achievements possible — we are discovering that success came to all who exemplified certain factors of quality common to success such as good leaders, good followers, good manners, good study habits, tolerance, patience, loyalty, and appreciation. On these pillars, we will frame our future.

We thank the administration for its foresight in adding, and welcome the students who have come to major in, the new four-year program in business education. We further welcome all new students in the two-year program, and our new instructor, Miss C. D. V. Stokes.

A Charge To Keep

BETTY LOU MCKETHAN

On Wednesday, October 4, the chapel program was presented by the Student Government of our college and was conducted by the president of that organization, George Wilson, Jr.

The officers for 1961-62 were installed. The speaker, Dr. David W. Bishop of the Social Science Department of the college, was presented by the vice president of the Student Government, Ned White. Dr. Bishop gave a very enjoyable and effective speech that was directed toward the incoming officers mainly. However, it gave a deeper insight to what it takes to be a good leader as well as to what it takes to be a good student.

President Rudolph Jones charged the newly-elected officers. The charge was accepted proudly and with unwavering determination by the officers.

A prayer for guidance was made by Dr. C. C. Thomas.

Have Talent, Will Produce

EVA McEACHERN

And the productions were really made on October 16, when the freshmen and new students of this campus presented a superb talent show. From the very beginning of the show, the audience was simply spellbound. Dance, songs, jokes and the like by the participants really made the program an interesting one.

Among the highlights of the talent show were "Blues Get Off of My Shoulder," Rosa Snipes; a Cuban Dance, Linda Vincent; jokes from Moms Mabley, Carolyn Faltz; spirituals by Mrs. Annie N. McLaurin. To top things off, there was Reginald Powell with his swinging combo. There were many other features to make this program one that will be remembered for many years to come.

Drama Guild

The Drama Guild wishes to welcome all of the students, old and new, here to FSTC. We sincerely hope that you will have a successful year as we anticipate ours should be.

The aim of the Drama Guild this year, as in others, is to teach the student something concerning the fine art of Dramatics. We are looking forward to achieving our aim as well as giving the student body and faculty a little entertainment. On the agenda for this year are the following programs:

Freshman Play, November 8, 1961
Fall Production, December 8, 1961
NCHS Drama Clinic, February, 1962

Spring Production, May 5, 1962

These are just a few of the many programs we have listed for the year. Under the guidance of Miss L. P. Turner and the able leadership of Mr. Robert Bryant, we are looking forward to a very successful year. Won't you join us and help enjoy our achievements?

This year's officers are Robert Bryant, president; Charles Spriggs, vice president; Margaret Hill, recording secretary; Annie Harris, corresponding secretary; Annie Scott, treasurer; Jean Dorm, I.D.A. Representative Alice Hankins, NCHDA Representative; Hermoine Jones, NADSA Representative; Eddie Cooper, Student Government Representative; Miss L. P. Turner, Director.

If My Heart Is Right

KATIE CORPREW

If my heart is right, matter not whether my skin be black or gold,

Or neither whether I am young or old.

For the soul and hearts of men are the same as in the Bible as it is told.

I look into the many faces of men sometimes seeing hate within.

Hate of the black, red and gold but sworn they are still soldiers for Him.

Would our Lord which is in Heaven permit such a toll

A toll of hate within the soul and lasts sometimes with unending time.

How many people of today — modern age — could answer this call within:

Is my heart right today?
Only a small but helpless few could say oh, Lord, my heart is true.
