The P. E. Majors' dynasty has fallen.

INTRAMURAL BASKETBALL

The basketball season started with a big blast. There were twelve teams entered in the double elimination tournament. They were the Eagles, P. E. Majors, Celtics, Cousy & Co., Bulldogs, Day Students, Stormers, Soul Brothers A, B, and C, Magicians and the Sculls.

There are only eight teams left in the tournament. The Bulldogs, Soul Brothers, B and C, and the Magicians have been eliminated.

There are only two teams in the winner's bracket. They are the Celtics and Cousy & Co.

In the first round of play, the P.E. Majors downed the Day Students 40-21. Cousy & Co. defeated Soul Brothers "B" 39-35. The Celtics walloped the Bulldogs 67-22. The Stormers, refused to be taken by the Soul Brother "C" and defeated them 39-35.

In the second round of play, the Celtics showed their power again by defeating the Sculls 60-28. Cousy & Co., a team not expected to be in the runnings, also won by a large margin over the Magicians 57-36. The P.E. Majors followed up with a 46-42 squeaker. Soul Brothers "B" took up the slack for the Soul Brothers "C" team and went on to beat the Stormers 53-31.

In the third most talked about round, the P.E. Majors fell. Cousy & Co. did everything right. The Majors made mistakes, while Cousy & Co., led by Neal Curtis, had few errors and controlled the tempo of the game. The game went all the way down to the wire, with Cousy & Co. coming out with a 40-39 victory.

In the game between the Celtics and the Soul Brothers "A" team, it was the Celtics again with a 60-32 victory.

The stage is set for one of the biggest up-sets in intramural history but I doubt if it will happen. Attention!! Attention

Badminton and Volleyball will begin as soon as the floor plates arrive.

Table Tennis Tale

Mike Taylor and Steve Jackson played a hard three games in the finals of table tennis. The P.E. Majors' Mike Taylor won the first game of the match 21-18; Steve Jackson, a Soul Brother by heart, took the second game 21-11. Mike overpowered Jackson and came out of the third game with a 21-16 victory and a championship.

Eldridge Jenkins, playing independently, took third place. Larry Whitehurst, also a soul brother, captured fourth place.

Doubles in table tennis were cancelled because of forfeits.

Indoor Track Buzzing

By JOE GIBBONS

During the Christmas Vacation, members of our track team participated in the Metropolitan A. A. U. Development Meets. The meets were held in the 102nd Engineers Armory in New York City. The participants in the first meet were Senior Delano Dubinson (captain) and Joseph Gibbons, freshman. Delano Dubinson ran the 300 yd. dash in a very respectable time of 33.5, finishing with a strong second place in his heat. Gibbons ran in the one mile run finishing fifth in his heat with a time of 4:38.

In another track meet held on the 28th of December, our team made respectable showings. The participants were Delano Dubinson, Henry Terrell, Joseph Gibbons, and Charles Anthony. The four Broncos ran in the one mile relay, but failed to place because of a dropped baton. Terrell appeared to be in for a good season as he cleared 6 ft. to take 5th place in the high jump. Anthony showed blazing speed as he took 2nd place in his heat in the 70 yd. dash, with a time of 7.5. Gibbons ran the 3/4th mile taking 5th place with a time of 3.15.

Other schools participating in the meet were: New York University, Kansas University, Villanova, Georgetown University, Johnson C. Smith University and many other big colleges and universities.

Ricardo Brown acted as coach because of the absence of Coach Scott. Other members of the indoor team who didn't participate because of injury or other reasons are: Barry Williams, Gregory Winfield, and Jephunneh Lawrence.

STRIKES and SPARES

By LEONZA LOFTIN

The pace on the bowling front has picked up considerably since last report, with Charles I. Brown showing the way. Brown broke into the coveted "600" series circle with a three game series of 623. This gave him an eye popping average of 207.67 for the evening. He also has had four other series of 500 or better. They were 560, 534, 509, and 508. Other campus members of the "500" club were Leonza Loftin and Roosevelt Johnson. Loftin scored series of 580 and 534, and R. Johnson checked in with series of 536 and 500. Narrowly missing the "500" club was Jack Davis, who rolled a sparkling three game series of 498.

The leader in the "200" club was again Charles I. Brown. Brown had games of 251 and 201. Leonza Loftin followed with games of 213 and 212.

Brown's team, "The Stragglers," are now in second place just three games off the pace. There should be a real dog fight for first place between "The Stragglers" and the "Pin Busters," who are currently in first place, during the final three

Bowling Statistics

By LEONZA LOFTIN

As the Pioneer League goes into the third week of the second half of a fourteen weeks schedule, three members from the College are listed among the top ten out of forty bowlers. They are Charles I. Brown (average 178), Leonza Loftin (average 163), Roosevelt Johnson (average 161) and Jack Davis (average 155). Brown stands number two in the league.

Individuals and their averages:

Name	No. of Games	Avg.
Charles I. Brown	30	178
Leonza Loftin	30	163
Roosevelt Johnson	30	161
Jack Davis	23	155
Harvey Jenkins	30	127
*Alvin Johnson	3	123

* Alvin Johnson joined the Pioneer League approximately three weeks ago, two weeks of which were spent on Christmas vacation, therefore he has had opportunity to bowl only three games in league competition.
