**SNEED MAKES ALL-CONFERENCE**

Mike goes for the sky against J. C. Smith's Golden, Bull Brigade. He was one of the league's leading rebounders.

Mike Sneed, the Broncos' hustling pivot man has made the ALLL - CIAA basketball squad for 1970-71.

The hard-rebounding Sneed ingruted many a Bronco rally during the season and his hustling tactics spurred his team mates on to better performances.

Norfolk State, North Carolina A&T and Shaw University placed two players each on the All-CIAA team announced in Greensboro Tuesday. But leading the vote-getting in the poll conducted by the coaches was senior guard-forward, Mike Gale of Elizabeth City State, who is averaging 23 points and 19 rebounds a game.

Norfolk State placed forward Rudy Peel and freshman Leroy Jones, a 6-8 center.

A&T players named were forward Elmer Austin and guard William Harris.

Chosen from Shaw were guards Kelly Utley and Ray Haskins. Other members of the team are Robert Butts of Johnson C. Smith Redden Leggett of North Carolina Central. Curtis Prichett of St. Augustine's and Sandy Smith of Winston-Salem State.

Harry "Chocker" Edmonds, who rebuilt N.C. Central into a winner in his first year as a head coach, was named Coach of the year in the CIAA. His Eagles take a 10-6 conference record into the tournament. Edmonds coached championship football and basketball teams at the now defunct Merrick Moore High School in Durham, N.C.

A BRONCO FOREVER

**Parker inks with AFL Denver Club**

Lloyd Parker, FSU's bruising 6.2, 195 pound, defensive halfback, has signed an undisclosed figure contract with the Denver Broncos of the American Football Association.

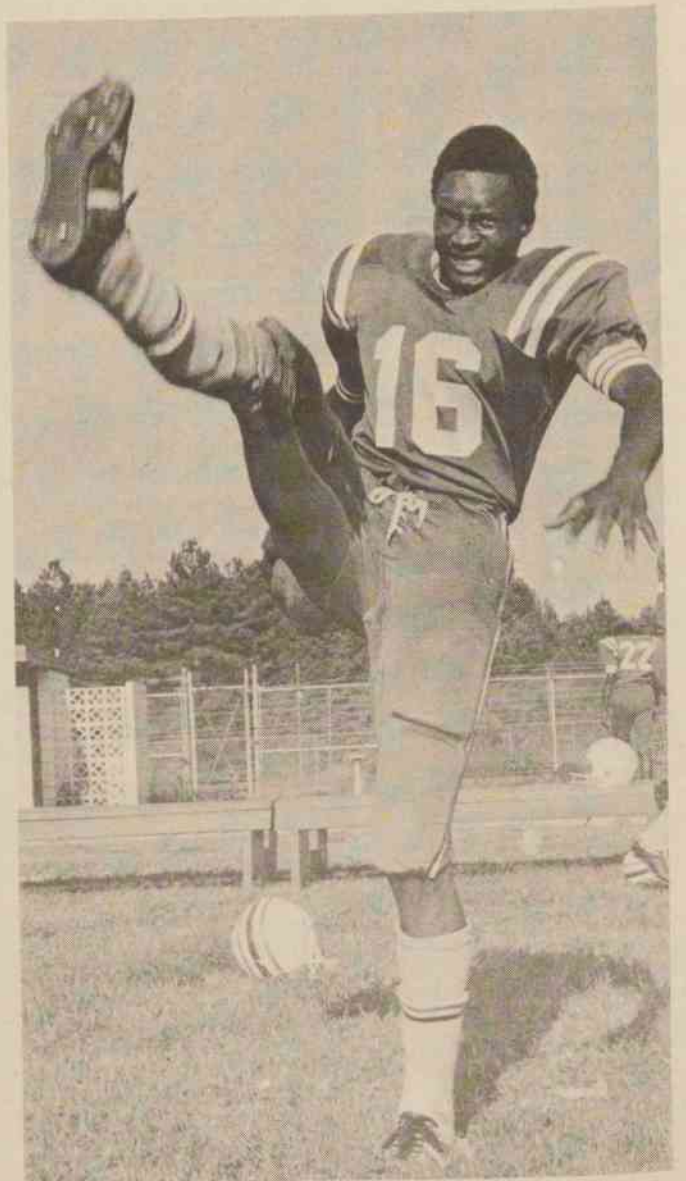

Having received letters from the St. Louis Cardinals, the Dallas Cowboys, the New York Giants, and the Kansas City Chiefs, the football track star still remains a Bronco with the Denver Broncos.

After signing as a free agent with the Broncos, the Jacksonville native was told by the Chiefs that he was supposed to have been drafted by them in the 16th round.

Parker should be a boon to the Denver club. He is not only rugged, but has tremendous speed. On the Jacksonville track club, the booming sprinter recorded a time of 9.8 in the hundred yard dash. He bettered his mark to 9.6 as an FSU Bronco cinderman and anchored the winning 440 sprint relay team to phenomenal success.

In four years of high school football, Lloyd was a defensive halfback and a tugging tonnage fullback. He continued the fullback chore at FSU for three years, then went back to defense in his senior year.
