

TELL IT TO MYRTLE

IF YOU HAVE A PROBLEM MYRTLE HAS AN ANSWER

Dear Myrtle,

Where in the world do you get those stupid, uneducated answers given in the Voice? Check Yourself!!!!!!

Wondering!

Dear Wondering,

Obviously, I get those uneducated answers from some of those stupid uneducated questions sent in to the Voice. Check YOURSELF Myrtle

Dear Myrtle,

My problem is a simple one. There's a young man on campus that I'm very much interested in. He has taken me out several times, but he has a girlfriend already. Now they have broken up, and I want him so badly. I can't bear to think of him by himself. What should I do to win him over without being too aggressive?

Puzzled

Dear Puzzled,

You really don't have a problem. Since he no longer has a girlfriend, your chances are even better, and eventually you'll be his. Keep on dating him and if he needs any help, drop a few hints. Myrtle

Dear Myrtle,

I've just made an enemy over a young man!! She had him first, but I felt myself qualified to take him from her because of the way she treated him. She was an ac-

quaintance of mine at first but now she doesn't speak. Do you think I was wrong? What shall I do?

Hooked. . .J.M.G.

Dear Hooked,

Yes, you were wrong. But, since you have, keep him. No woman wants to think that her friend took her man. Be on the look out. You said you were qualified to take him. Are you qualified to keep him?

Myrtle

Dear Myrtle,

I have fallen in love with you. What should I do?

Love Sick

Dear Love Sick,

I'm very flattered, but it's just your imagination running away with you. Catch it and you'll be well again.

Myrtle

Dear Myrtle,

I've been dating this girl for about two months and we are still in the "kissing stage". I've tried everything but nothing works. Help!

Signed Impatient

Dear Impatient,

Good things come to those who

wait.

Myrtle

Dear Myrtle,

How can I stop the girls in the dorms from being so tired. Everytime we have a dance they come as "Wallflowers." I would like to know their reason for coming.

The Instigator

Dear Instigator,

I take for granted that "The Instigator" is "tired" also. If these girls were asked to dance, I'm sure they would. Stop instigating and investigate.

Myrtle

Dear Myrtle,

A friend's girlfriend likes me and I like her. I talked to my friend about the situation and he acted like he didn't care. Should I go ahead and try to talk to the young lady?

A Friend

Dear Friend,

Why not? He acts as if he does not care. Besides, all is fair in love and war.

Myrtle

Dear Myrtle,

I'm in love with an instructor. I can't study and whenever I'm in her class, all I can think of is SEX! I'm almost out of my mind. Help Please!

Signed Dizzy

Dear Dizzy,

Love, huh? Sounds more like spring fever.

Myrtle

Dear Myrtle,

Why is it that when a guy in one of the fraternities on campus starts liking a certain girl he tells the other guys in the fraternity before he tells the girl? Don't you feel that this is showing immaturity?

Signed Last One to Know

Dear Last One to Know,

I do agree that telling you last is a sign of immaturity, but sometimes a guy prefers to tell his brothers first.

MYRTLE

Dear Myrtle,

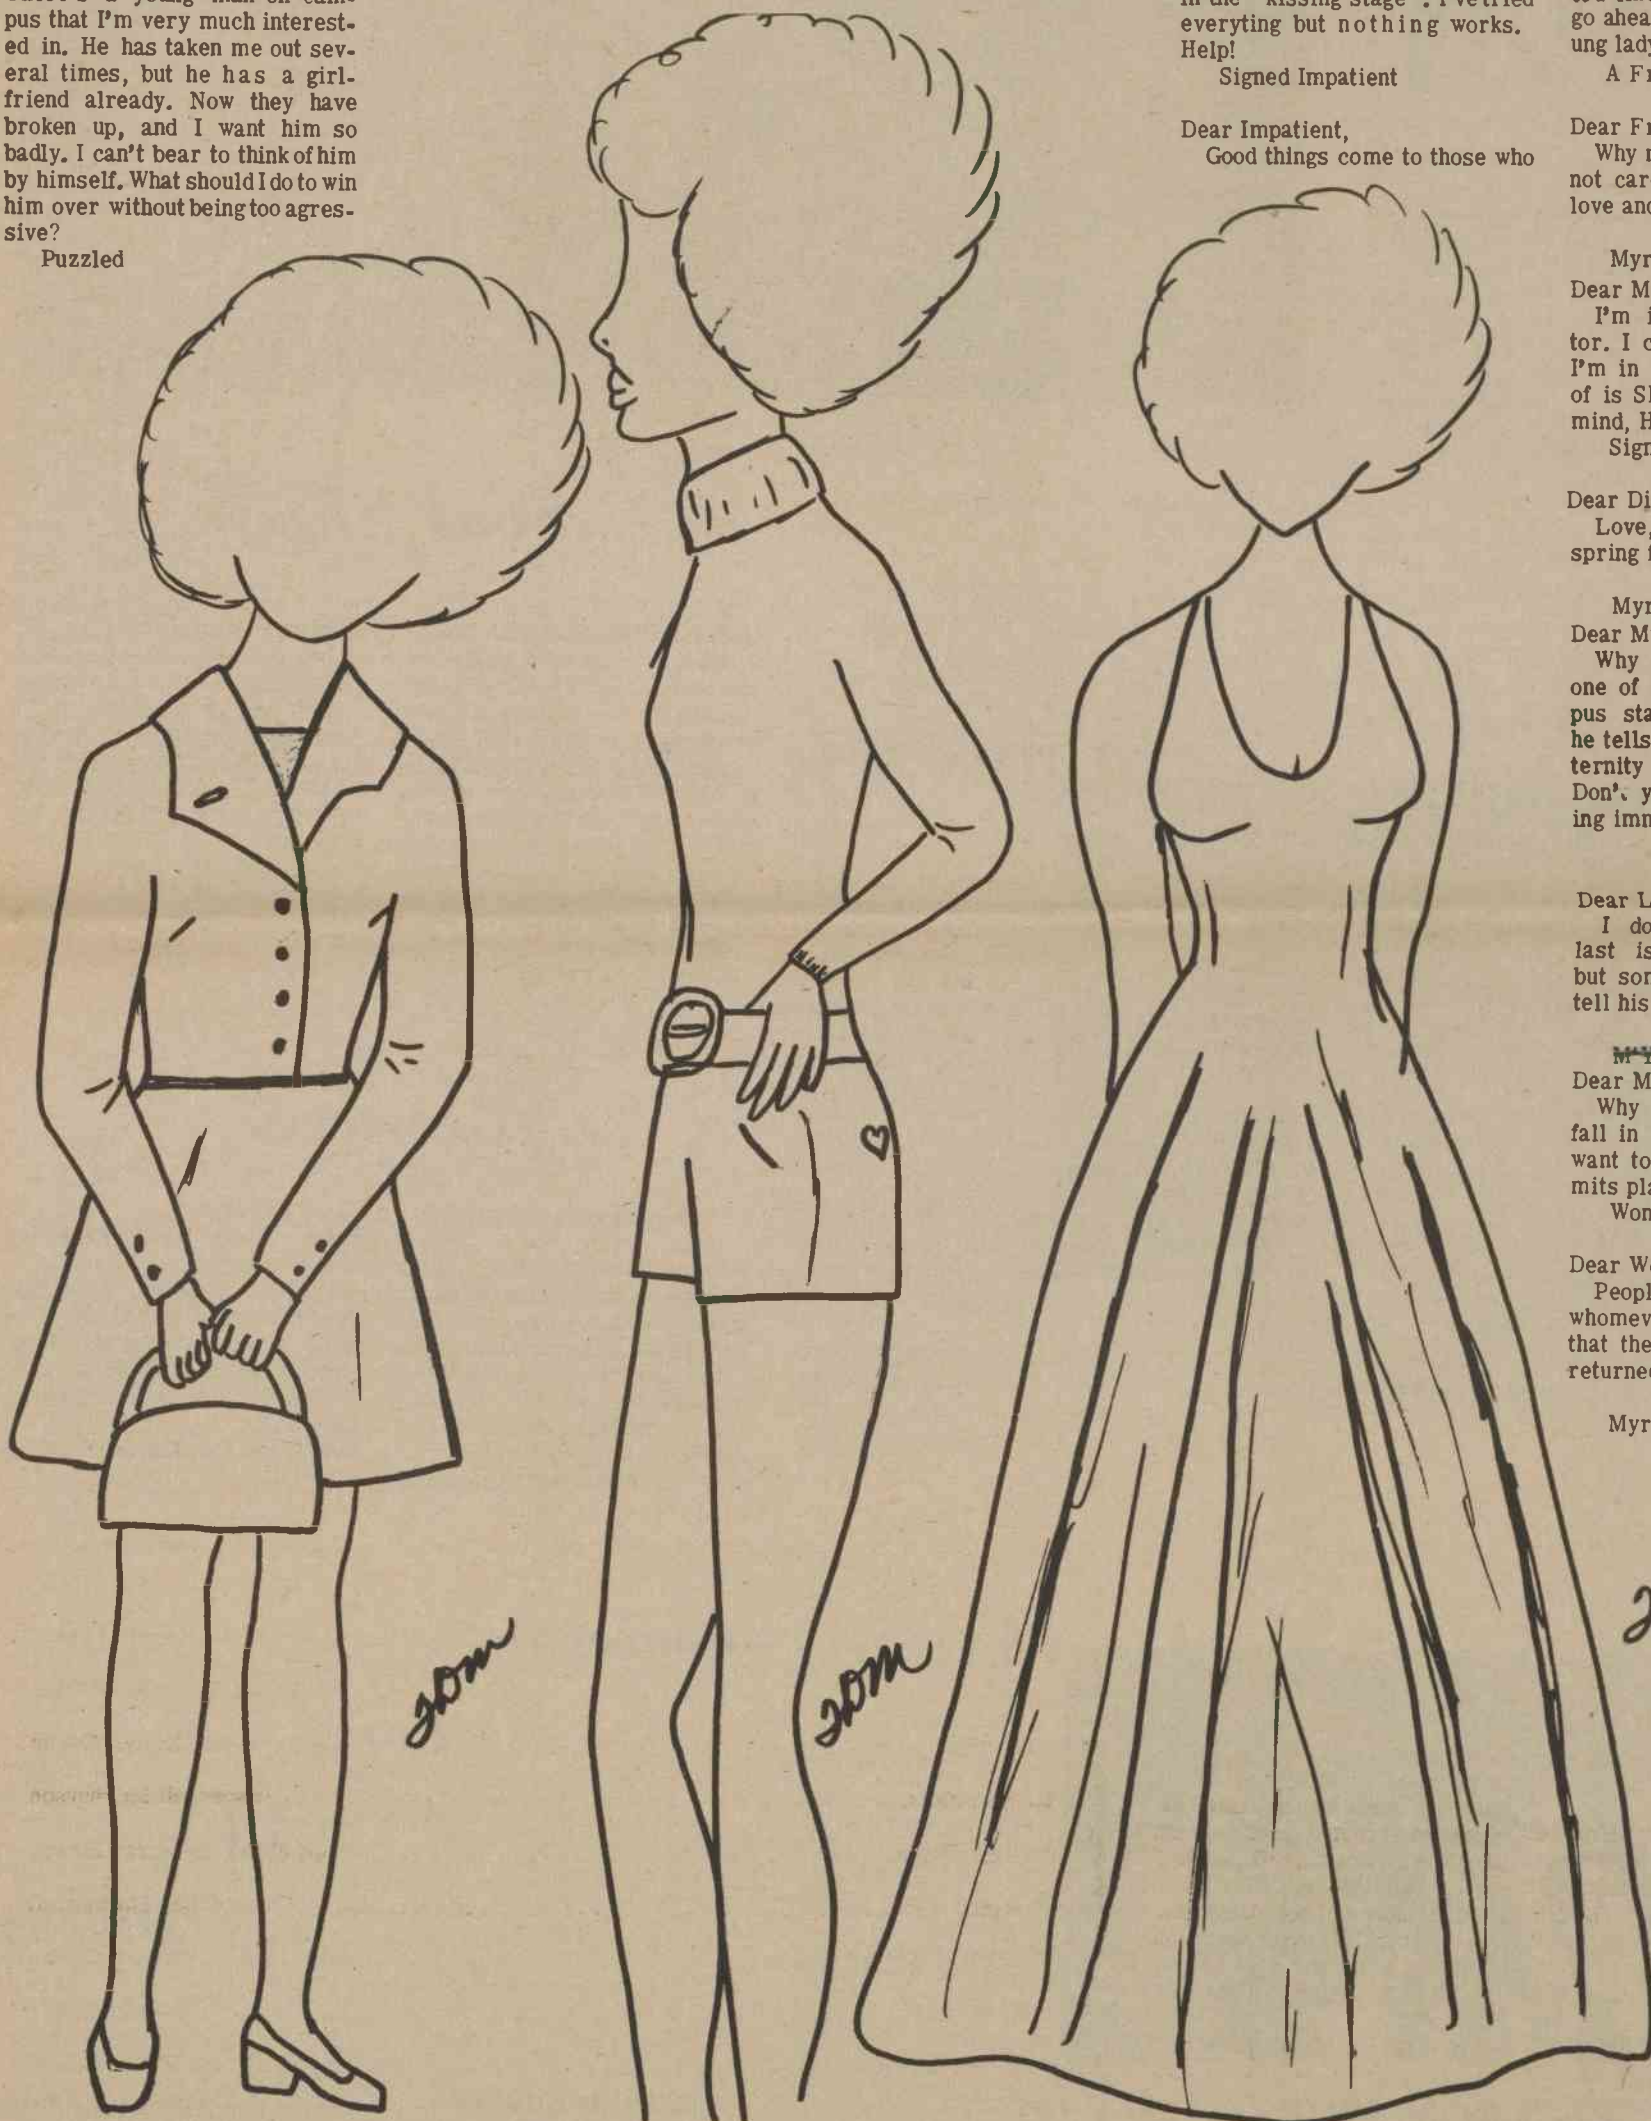

Why can't people be free to fall in love with whomever they want to? Why must there be limits placed on love?

Wondering Why

Dear Wondering Why,

People can fall in love with whomever they want to. It's just that they might not have the love returned.
