

Spotlighting... Univ. Bookstore & Newbold P.O.

The University Bookstore and the Newbold Station Post Office is presently under the management of Mr. James E. Henderson with Mr. Albert Felton, serving as the assistant manager. Mrs. Hazel Murphy is the secretary, Mrs. Flora Mines is a saleslady and Mrs. Vera Pace is the postal clerk.

The Newbold Station Post Office and the University Bookstore are most certainly two of the most important units on FSU's campus. The main purpose of the bookstore is to provide FSU students with books, while the post office serves as the link of communication for the Bronco family.

The Newbold Post Office is now capable of providing complete postal service to the public. The window hours for operation are from 10 a.m. to 4 p.m. on Monday through

Friday. On Saturday, window hours are from 11 a.m. to 12 p.m. Mailboxes are available to the public until 8 p.m.

Window service is being provided at the present because several student mailboxes need repairing. The manager of the post office has received information which was needed to repair the mailboxes so they hope to provide better service soon.

The bookstore operates from 9 a.m. to 4 p.m. on Monday through Friday. The bookstore is fully equipped with a sundry department which includes various kinds of soap, detergents, mugs or almost any commodity which the student might need. The bookstore also has a large supply of sorority and fraternity sweatshirts, jackets and umbrellas. They also have FSU swim suits and trunks for Physical Education majors, foot-

ball jerseys and FSU blast jackets. The bookstore also has numerous kinds of cards, for example, such name brands as Hi Brow, Soft Touch and American Greetings.

Usually during the first five days of the academic year only books were sold in the bookstore. When asked why this policy was followed, Mr. Henderson said, "It would be almost impossible to provide efficient service to those students who wished to buy books and to those buying other commodities too, since the bookstore accepts about 95% credit.

Mr. Henderson urges all faculty members to visit the bookstore to see what books they can use that are on the shelves. The management is available to assist them at any time.

known as the O'Jays.

The back stabbers known as Walter, William and Eddie are the sound of yesterday today. From the 'Land of The Giants' are one of the most sought after groups of today.

Their current album 'BACK STABBERS' is really doing well. Their hits 'Love Train' and 'Back Stabbers' head line the album and represent it well.

The O'Jays are still making new changes in the pop charts and Eddie Lavert made comments that the O'Jays will be around with more hits. The O'JAYS bring back jumping rope, bang-bang shot them up and many good old memories for many and are making more for many and are making more for today.

So the final word is 'LET THE BACK STABBERS GET YOU.'

SORORITIES

The Omega Beta Chapter of the Zeta Phi Beta Sorority celebrated its annual "Finer Womanhood Week", March 10 - 18. The week of activities began Saturday night with the presentation of the "Blue Revue (Zeta-lite) Ball". This is given to present young ladies to the society. Eighteen young ladies were presented.

The activities of the week included a pajama party, a gab-in and a visit to the Principium Rest Home. Visiting and entertaining at Glenhaven and Principium Rest Homes, however, are annual regular activities of the sorority. The patients were entertained by songs, poems, and kits and especially by friendly conversation. As a token of love and interest, the Sorority gave the patients a large basket of fruit.

The "Finer Womanhood Week" activities was concluded by the Zetas attending worship services together at Good Hope Baptist on Deep Creek Road. Following the service, the Omega Beta Chapter of Zeta Phi Beta and its undergraduate sisters, the Gamma Upsilon Chapter dined together downtown. The dinner was the traditional-culmination of "Finer Womanhood Week."

The Gamma Theta Colony of Gamma Sigma Sigma Sorority requests your contributions of any records, games, magazines, paperback books, etc., for donation to the patients of the Veterans' Hospital. The Colony of Gamma Sigma Sigma visits the Veterans' Hospital every Saturday to give their services in whatever capacity they are needed. Please contact or give your donation to any member of Gamma Sigma Sigma Sorority.

FRATERNITY

The Tau Phi Chapter of the Alpha Phi Omega Fraternity was founded in FSU's campus on April 3, 1970. So during the week of April 3-7, the members of Alpha Phi Omega Fraternity plan to celebrate the beginning of the fraternity on campus. They intend to let everyone know that ALPHA PHI OMEGA is HERE, alive and swinging. During the week parties will be sponsored by various members of the fraternity and there will probably be a dance at the Utopia Lounge. Among other activities the brothers are requesting that members of the Bronco family wear something blue and gold during the week. More details will be posted to indicate the time and dates of various activities.

Even though the members of Alpha Phi Omega will be celebrating during the week of April 3-7, they do not party all of the time. Just as their sisters, Gamma Sigma Sigma, are devoted to providing services both to FSU and the community so are the members of Alpha Phi Omega. In fact, they are planning to go to the Veterans' Hospital sometime soon. While there they intend to provide companionship to fellow patients. They will write letters, pick up the necessities they need, talk to them, but most of all they intend to show them that someone really cares.
