This is to officially notify you that admission to Basketball Games for FSU, which are being held at the Cumberland County Arena, are by ID card only.

Students who are officially enrolled, must present a valid 1973 ID card in order to be admitted to the Basketball Game.

Students who have lost their ID cards, must present valid proof of being enrolled this semester, with a signed statement from the Dean of Students.

Buses will be leaving from Seabrook parking lot, beginning at 6:30 p.m. to transfer students to the Cumberland County Arena. Admission to the buses will be by ID cards only.

Bookstore Hours: 9 a.m. to 12 noon. -- 1 p.m. to 2:30 p.m. The bookstore has a very large amount of sorority and fraternity jackets, sweat shirts, T-shirts and CIAA champion T-Shirts on hand. Also we have a large number of FSU jackets with heavy linings and band jackets.

Many of the students are asking why their groups don't have some items on hand. The reason is that the bookstore is overstocked and students aren't buying what we have on hand. Any of the above items must be paid for within 90 days. So you can see what a predicament this puts us in, with no funds to spend. Mr. James E. Henderson, the manager of the bookstore, would like for each fraternity and sorority to brief their members on the situation and make plans to buy the items that are in the bookstore for them.

Post Office Hours: Doors Open 9 a.m. to 8 p.m. Mon. - Sat. Post Office 10 a.m. to 4 p.m. Mon. - Fri.; 11 a.m. to 12 noon. Closed Sunday.

LETTER OF THANKS

From the Clean-up Man

In the cold of early November and December mornings, a dark figure crawls out of a warm bed and reports to work. His tools are a tired and sleepy body, a burlap bag and a three foot stick with a spike in the tip. Who is it you say?

It's your clean up man - James Faison, III, a former student at FSU. I pick up the litter that has been carelessly dropped on the campus. I must admit that at one time or another I have improperly disposed of paper without giving it a second thought during my three and half years of being at FSU. After all I don't know anyone that can honestly say that they've never littered. But could you imagine what it would be like if every student dropped one piece of litter on the ground during the day?

When I began this job on November 1, 1973, it was tough! After the football games I was faced with coke cups, hot dog wrapper and all kinds of litter. Around the dorms and the dining hall there were small bits of paper everywhere.

Since November 1, business has really slowed down because most of the littering has stopped. I believe that the students have begun to take pride in their campus and they realize that the campus is a reflection of themselves.

Broncos thanks for helping me keep your campus clean.

James Faison, III
