"IT'S HOMECOMING, YA KNOW!"

MISS FSU-Renee Wilkins

The feelings associated with a dream coming true has just begun to envelop me and already I am in a state of euphoria.

It is beyond my capacity to be able to express my say and elation and yet I know that it is reality.

I sincerely hope that I am capable and worthy of the honor my school has found fit to bestow upon me. It is within this capacity I wish to express a humble gesture of thanks to the multitude of friends and fellow Broncos.

With love to all
Miss F.S.U.
