

The Guard is America at its best.

You can't train somebody to be a hero. And the Army Guard people on this page would be the last to label themselves that.

But it was Army Guard people like these who helped sweep a six-year-old boy out of the path of a killer flood last summer. And it's Army Guard people like these working in their own communities, who have helped their neighbors and friends survive everything from floods to blizzards to tornadoes.

Put Army Guard people in situations like those and they perform at their flat-out best.

In the Army Guard, you're ready to meet any kind of challenge head-on. The training is geared to develop important human skills that work hand-in-glove with military readiness.

You'll join your friends and neighbors who train at home.

But it won't just happen. You've got to do something first. Call us right now. It's toll-free and won't cost you a penny. The number is 800-638-7600.* Or see your Army Guard recruiter. He has the whole story. Ask about the benefits that can last a lifetime and the

money you'll earn.

Then get on the Guard team. And be your best.
