

### Something Special

I come in all sizes, colors, and textures. I get harassed a lot, it's no fun!!! I get cut, teased, and sometimes pulled. There are some good days though, besides being rolled and twisted, every other week I take a bath and maybe I relax within two to six hours or so.

Have you figured me out yet? Well, let me go on just a few more lines, I am the most wanted in the whole world!!! Oh yeh, I forgot, I am a celebrity from the old Bible days! Ask Sampson maybe he can tell you!!!

### Fat Fashions

So you've always wanted to be a model, but could only dream about it as you tip the scales at 185 pounds?

Well, cheer up. Now you have a chance to indulge that lifelong dream. There is now a market for large fashion models.

Major catalog retailers are offering “larger size lines” and paying much more attention to that often-ignored market segment. Magazines also are beginning to feature fashion spreads for the larger women.

But it takes more than just pounds to be a larger size fashion model. Your pounds must be correctly distributed, or you won't even be considered by the modeling agencies. And you have to keep the weight on. If you start slimming down, you'll be cutting your own throat.

### Just Give It A Thought

The “Voice” newspaper is like a tree. If you don't plant it right, It won't grow nor will it branch out anything. The leaves are what we have to offer. It there are no leaves, Empty hands are all we have left,

### Of Giving

I was asked of my giving. My giving, be it a smile which can be seen or heard, a something which may be shown or held. My giving from me to you or from me simply to say I gave.

I should be asked of my taking, for don't I take a smile in return or words to acknowledge my giving? Is there not pleasure in my gestures or gleams in my eyes?

When someone asks of your giving, maybe our quickness in answer spoils the delight. But should we not realize the taking within our giving and agree that our giving is not giving at all.

At least, one should say, the giving is apart of the taking and the taking a portion of giving.

I say ask of taking and the giving shall be discovered.

### Let Us Live

By (Pooh Bear) Kenneth McNeill

Let us go  
Let us be  
Use your own mental ability,  
Are we or are we not free?  
Let us alone  
Let us walk on our own,  
With our own words,  
Not on the majority stilts, his words.  
We have our own ways and dress  
What we want, like,  
What tastes or smells good to us  
Our lives, our sweet time.

## FSU Meets Howard Johnson

By Lance D. Shaw and Isaiah Reed  
The Phi Beta Sigma Fraternity, Inc., sponsored a concert which featured Howard Johnson, November 12, at the Seabrook Auditorium.

Considering the small turnout, the audience was responsive and enthusiastic.

Mr. Johnson made note to the number of empty seats, but still he felt the need to jam. On “Keeping Love New,” which has good meaning, was gotten across.

The versatility of this artist was surprising after he struck an excellent redemption of “A House is not a Home” and “The Man is full of Love.”

William Britton, Vice-President of Phi Beta Sigma, said he thinks it's wonderful that Howard Johnson came to FSU. The price was very reasonable. Mr. Britton also said, “things like this should come to this community more often.”

Mr. Johnson has been on college tours constantly since July. Even

though, he found time to do an interview with the “Voice”.

Q. Mr. Johnson, are you a college graduate and where from?

A. Yes, I graduated from the University of Miami where I majored in music.

Q. How does it feel to have such a hit, “SO FINE”?

A. It really doesn't make a difference. Fame doesn't phase me.

Q. Will you visit FSU again in the future?

A. If I have more people at FSU to support me.

Q. Who is your Musical Director?

A. My Musical Director is Al MacDowell.

Q. Who inspired you the most?

A. My mother and father inspired me the most through school and with my career.

The “Voice” would like to thank Howard Johnson for coming to FSU, and hope that he will return in the near future.

### Herpes

Women seem to suffer more from herpes. However, some women are barely aware of their herpes. They sometimes have internal lesions that may be hard to see. They can be carrying the virus in the genital secretions or may be shedding the disease from the cervix without showing any symptoms.

Women who suffer from genital herpes are five to eight times more likely to develop cervical cancer than those who do not according to the American Social Health Association.

### Out Of Sound, Out Of Mind

Whispering,  
Just whispering, that's all I seem to hear  
No feelings, no touch;  
I doubt your real voice  
Will ever appear  
You can't stay a shadow  
in my life forever  
Because the sunshine  
that we once had  
Might never shine again  
No more shadow, no more  
Voice, No more feelings,  
And no more you  
Whispering!!!

### My Favorite Adventure

By Cheryl Brown  
I adventured into my life and myself. In my life I encountered such things as, travel, Education, romance, good times, tight spots, and Decisions.  
And the list goes on.  
Adventuring into myself, I established and maintained Morals, standards and

values from a premise of believing in myself.

And the list goes on.  
This adventuring was great! It was prepared me for Organization, which is an essential until death.

And life goes on....
