AIR FORCE ROTC — HERE ARE

THE FACTS
When you're discussing something as important as your future, it's urgent that you get the straight facts...and that you understand them. Air Force ROTC can be an important part of your future. We would like to outline some of the facts and invite you to look into gathering more.

look into gathering more.
It's a fact: the Air Force needs highly qualified, dedicated officers...men and women. It's a fact: we need people in all kinds of educational disciplines. It's a fact: we're prepared to offer financial help to those who can qualify for an Air Force ROTC scholarship.

Get together with an AFROTC representative and discuss the program. We'll give you all the facts. It could be one of the most important talks you've ever had with anyone about your educational plans.
