SGA Agenda Survey

by Roger A. Harris

Your Student Government Association (SGA) is entering the spring semester trying to incorporate dynamic new approaches to more effectively serve you. This survey is one of those initiatives. It gives you, the student, a chance to directly affect the SGA's course of action. We'll take the top five responses from the survey and incorporate them into the SGA's agenda. The top five responses from the survey will be incorporated into the SGA's spring agenda.

The survey deadline is
January 31, 1993.

Don't be afraid to be heard! The more we know about your topics of concern, the better prepared we'll be to address them. It's very important that we know what is on your mind. So please, if you really care about what areas need to be addressed by the SGA, please respond. We, the members of the SGA, are here to serve you!

Completed surveys may be returned to the *Bronco' Voice* office.
