## AKA'S DONATE \$250 TO HOMELESS SHELTER

By Roger A. Harris

The FSU chapter of Alpha Kappa Alpha Sorority, Inc. continued their outstanding tradition of community service by sponsoring a fundraiser to benefit an area shelter for the homeless. A "Fasting For The Homeless" drive raised \$250 to support this effort. Though the event was designed to help raise community awareness of and involvement with this important concern, a lot more was actually accomplished. Chapter President, senior Sociology major Bayyinnah McGregor, explained that many of her "sisters" experienced a spiritual awakening not only to the plight of the homeless but also to the importance of their leadership, through involvement, to make a difference.

And make a difference they did. Rev. Bill Riggs, director of Winslow House, a local shelter that provides food, shelter, and clothing to Fayetteville's needy, explained that AKA's \$250 donation couldn't have come at a better time. "We have a \$775 insurance bill due in March that this donation will go towards paying. We are a non-profit organization and all of our operational costs are paid for by donations. We thank God for this blessing; we thank the AKA's for their concern and contribution."

AKA was the first chartered female sorority at FSU with its inception in 1952. Bayyinnah stated that she was very proud to be a member of one of the most dynamic, aggressive, and energetic organizations on FSU. "We are sponsoring "Glamour Day Photo" sessions (Feb 21-22) at reduced prices. Our percentage of the profits will be donated to a battered womens shelter. We feel that it would be very appropriate to donate money raised in the name of beauty to address the beast that is the plight of the battered woman."

From greeting incoming freshmen to providing aid to

the homeless to helping battered women, Alpha Kappa Alpha embodies the spirit of the African-American woman: love, strength, power, wisdom, and concern. We applaud your effort, support your cause, and follow your lead.

### NEWS FROM THE HALLS by Iris Hunt-Smith

**HELP IS ON THE WAY...for the ladies of Harris and Joyner Halls!** These two buildings have been experiencing a great number of leaks in various places. After examining the problem, it was discovered that the problems stemmed from the recently renovated plumbing work which is no longer under warranty. The FSU Physical Plant plumbers determined which parts are needed to repair the problems, and the parts were ordered. Physical Plant Assistant Director Ray Williams assured me that delivery of these parts will ease all of our leaking worries!

**THE ROOM ASSIGNMENT PROCESS...for Fall 1994 will run concurrently with pre-registration.** Students who want to participate must pre-register. More information about 1994 Room Assignment will be given to all residents.
