Sports Editor

The regional Super Hoops Atlantic Regional 3-on-3 Basketball Tournament was held on Saturday, February 11, 1995 on the campus of East Carolina University. Five(5) students from the Fayetteville State University I-RS program and a staff member made the journey to Greenville, NC to participate in the tournament. The Fayetteville State University Representatives included: Jarmaine Bryant, Terrance Bryant, David Hill, Micah Johnson, Vincent McCluney, and Jerry Williams.

Throughout the tournament, the Broncos defeated teams such as North Carolina State University and the Uni-

versity of North Carolina at Chapel Hill. University of South Carolina at Sumpter delivered the first of only two defeats endured during the entire tournament. The team also defeated teams by point margins as high as 32 points. The Broncos lost in the championship game against The University of South Carolina at Sumpter by a heart-crushing two points.

The students are to be commended for the competitive spirit displayed during the very demanding contests at East Carolina University, and the admirable manner in which they conducted themselves while away from the University.
