By Keisha Robinson

The Bronco Men Basketball Team finished this season 14-13 overall, 6-10 in the CIAA, and 3-7 in

the Western Division.

There season came to an end with a disappointing lost in the first

round to Virginia State University. The

Broncos lost 78-69 to the Trojan's of Virginia State. On the bright side, junior forward Hazel Andrews was selected to the ESPN The

Magazine All-District 3 Academic 2nd Team.

Andrew, a native of Portsmouth, Dominica, was selected by the College Sports Information Directors of America (CoSIDA) which consists of Florida, Georgia, North Carolina, South Carolina and Virginia. To be nominated, the student-athlete must be

a starter or an important reserve with at least a 3.30 cumulative grade point average for his/her career.

must have reached sophomore athletic and academic standing at their institution. Andrew, a banking and finance major, is carrying a 3.74 cumulative grade point average.

He also received the US Navy Award that is presented to student-athletes who have displayed sportsmanship, team-building efforts, and who is also honored by their professors, coaches, teammates, and other school officials.

Western Division. The Lady Broncos also lost in a first round upset against Saint Paul's. The final score was 71-68. Freshmen Chelsea

Jeter had the honor of receiving Rookie of the week three times this season. The 5-8 freshman guard from Baltimore, Maryland averaged a couple of double-doubles, as well as triple-doubles this season.

She will be a very strong asset returning to the Lady Broncos next season. Senior Tiffany Mitchell played her last game, and did reach her 1,000 point of her career.

We are sad the Lady Broncos could not have finished at the top, but we are proud of the effort.
