BEAUTY

See it's hard to describe
 But this picture that I saw
 Had beauty out and on the inside
 It was smooth in texture
 Like the skin of a baby
 It was filled with warmth
 Like a heart worth saving
 I'm mean it wouldn't stop beating
 Continually feeding me
 Kind thoughts and words I deserved
 Fulfilling every need that was needed
 Every word I spoke was heard

It swallowed every letter
 Every breath was silent
 And to breathe me is to become high
 Breath as high as the sky
 Floating by like birds soaring up above
 Like angels and doves
 Its wings were like feathers, light and fluffed
 I discovered while observing
 That I just couldn't seem to get enough
 Its beauty was like good luck
 Reaching a pot of gold
 At the end of the rainbow
 And we flow like two waterfalls

At the end of a river stream
 Beauty just couldn't seem to let go
 There was a strong glow and gleam
 It cannot be torn apart
 Tied together like strings in a shoe
 Linking all parts
 Paste pictures of beauty with glue
 Linking both hearts
 It stood in one place and I stood far
 But I was able to see beauty's face
 Because this will be in my heart
 And become a thought of the mind
 That will never be erased
 And its beauty will never stand apart

Now that I know it's easier to find
 When both hearts share it
 And finally, it becomes a state of the mind
 That completes a finish
 And becomes a great start
