The Story goes
 Pigs were once humans
 Some humans are pigs
 Face it
 Eat pork pig
 And porky pig eat you
 It's true through and through
 It's a University rule
 Do onto others as they do onto you
 You eat pig
 Pig eat you two

According to Mr. & Miss FSU

Fellas: "If you're truly trying to find someone special, look at your relationship with your mother. That will give you all the information you need to see if you're ready for a relationship."

Ladies: "Individuality is everything. Instead of trying to be like everyone else, focus on trying to find yourself."

~ Tatiana Mosely
 "Mrs. FSU"

Fellas: "Don't be afraid to step out of your comfort zone, to stand out as an individual."

Ladies: "If a person is really your friend, they'll tell you what you need, not what you want to hear."

~ Ervin Tyrone

Capricorn

(December 22-January 19)

Don't bite off more than you can chew! Balance is the key to your success and making time for fun will complete your scale.

Aries

(March 21-April 19)

Saying what you mean and meaning what you say can seem quite easy in your mind, but remember to practice censorship sometimes.

Gemini

(May 21- June 21)

New things are always worth a try! Make sure you are not stretching yourself thin.

Virgo

(August 23- September 22)

Friends are a real value to you to you, but don't allow too many steps on your already bad back! It's okay to say NO!

Aquarius

(January 20-February 18)

Your old soul is what makes you unique, but it can also cause a few sleepless nights. Don't bother yourself with small details, smell the roses on your way out!

Sagittarius

(November 22-December 21)

Even Gypsies settle down at some point. Your constant movement doesn't allow for many true connections, but maybe it is what you're aiming for.

Cancer

(June 22-July 22)

You are all about change but before you make a commitment, do your research before it all becomes a headache.

Libra

(September 23-October 23)

As a human you can only physically give but a portion of yourself until there is nothing left to give.

Pisces

(February 19-March 20)

You said one thing but meant the complete opposite! Take some time to reflect on the reality of the situation, rather than what you would like it to be.

Taurus

(April 20-May 20)

If true commitment is what you desire then be consistent. Don't allow the bull in you to charge away at the wrong emotions.

Leo

(July 23-August 22)

Even kings and queens need coaching from time to time. Pride won't make your roar louder, only a true leader knows when to be seen and not heard.

Scorpio

(October 24- November 21)

Desires are only as good as the effort put toward them. Forty percent effort reaps forty percent benefit.
