Bronco-iRadio presents its first Annual iMUSIC FESTIVAL on Saturday, September 22 from 12-5:30 p.m. on the campus of Fayetteville State University. The iMUSIC FESTIVAL will feature the talents of FSU students and global independent artists, as well as celebrating one year of programming on the student radio station. It is a free, family friendly event that is open to the public, and will feature many different artists and fun activities for everyone to enjoy.

The iMUSIC FESTIVAL will allow independent artists, and FSU independent artists a chance to showcase their musical talent in a positive community setting.

Proceeds from this event will go towards the continuing operation of the student radio station, Bronco-iRadio.com. Bronco-iRadio.com is the student ran internet-based radio station where FSU students learn about the radio broadcasting industry. It provides on-the-job training for students and volunteers interested in the field of radio broadcasting. Students are given access to state of the art equipment where they learn production, marketing, photography, videography, music, and media design. Proceeds from the iMUSIC FESTIVAL will allow the station to purchase much needed equipment and computer applications that will allow them to train and educate students in the Broadcasting field.

If anyone is interested in being a vendor for the iMUSIC FESTIVAL, please send an email to GM@BRONCO-IRADIO.COM. For more information about the iMUSIC FESTIVAL go to www.bronco-iradio.com or send an email to GM@BRONCO-IRADIO.COM.
