WAYNE COMMUNITY COLLEGE, GOLDSBORO, N. C.

NOVEMBER 21, 1969

SGA Approves \$12,206 Budget

Each Committee seeking funds from Student Government resources was asked to submit a proposed budget for the 1969-70 year. The Budget Committee reviewed each request with representatives from each committee on October 15, 1969. On the following evening, October 16, the Budget Committee reviewed each individual budget and submitted the pro-

posed budget as outlined within this report.

The proposed budget recommends appropriations of \$12,206.00 for the 1969-70 SCA budget. The Budget Committee realizes that these recommendations exceed the funds presently held by the SGA. However, the committee feels that student activity fees to be

collected during the winter, spring and summer quarters will bring in a more than ample sum to meet proposed appropriations. In the event such revenue is not collected, the SGA reserves the right to cut appropriations to the necessary level for remaining within funds available.

Recommendations of the budget committee were discussed

and approved by the SGA, as follows:

Athletics Committee --	\$3430.00.
Cheerleaders --	\$130.00.
Coffee House --	\$600.00.
Communications committee --	\$218.00.
Intramurals --	\$100.00.
Newspaper --	\$1047.00.
Phi Theta Kappa --	\$75.00.

Reception -- \$50.00.
Student Activities -- \$3045.00.

Student Government Association (Administrative Expenses) \$100.00.

Student Lecture Series -- \$400.00.

Student Union -- \$25.00.

Yearbook -- \$2986.00.

Total -- \$12,206.00.

Extracts from Dental Department

Two representatives of the sophomore dental hygiene class attended the National Dental Hygiene Convention in New York recently. The students, Phyllis Nimmo and Gail Har-day, class president and Junior Dental Hygiene President respectively, were accompanied by Mrs. Clea Colvard, an instructor. While there, they attended several scientific sessions and visited other points of interest in the city. Without the participation of the freshman class and the help of everyone who bought note cards and doughnuts this trip would have been impossible.

The sophomore dental hygiene students were capped October 26 in a ceremony which was held at St. Luke's Methodist Church. Dean, Walter Brown, was guest speaker and the freshmen dental hygiene class sponsored a reception after the ceremony.

Two students from the Dental Occupations Department, Linda Pate and Judy Rogers, participated in the Careers Nite presentation at Sampson Technical

Institute. The girls, representing the dental hygiene and dental assisting programs, answered any questions concerning these professions.

Kay Johnson, Debbie Alberti, and Gayle Spearman have been appointed to serve as co-chairmen for National Children's dental health education programs to be presented to elementary schools in Wayne county.

The freshman Dental Occupations students recently held class elections. The dental assisting class chose the following officers: President, Jeanette Fish; Vice President, Kathy Braswell; and Secretary-Treasurer, Connie Richardson. Freshman dental hygiene students elected were: President, Linda Chitty; Vice President, Cindy Adams; Secretary, Judy Rogers; and Treasurer, Phyllis Gay.

Other recent activities of the Dental Occupations Department include the administration of the certification examination for dental assistants on October 3 and a visit to O'Berry Center by the sophomore dental hygiene class to give lectures and demonstrations on dental health education.

Future plans of the W. C. C. Jr. American Dental Hygiene Association include a hay ride to be sponsored by the sophomore dental hygiene class and a group study toward national board preparations.

Dept. Quickies

BUSINESS DEPARTMENT

The installation of new data processing equipment, which has been arriving daily, for the Business Department, began the early part of November. The Business Department has received new key punch machines and are expecting some new calculators.

Other news from the Business Department includes a proposed trip by members of the Business Club to the Research Triangle at Raleigh-Durham to visit the IBM Research Plant during November. Anyone interested should contact Kenneth Neal, Chairman Department, or Hugh Thomas.

Jan Crawford, Business Law Instructor, attended the Sixth Annual Meeting of the South Atlantic Regional Business Law Association in Atlanta, Ga., October 30, through November 1. The theme of the meeting was "Campus Unrest and the Role of the Business Law Teacher." Papers related to this and other matters were presented.

But why not, Margaret? They'd never miss us.

SCIENCE CLUB

The Science Club, under the director of Dr. William Draper, presented the first in a series of lectures pertaining to the theme of "Nutrition and Food Problems of the World" at the First Presbyterian Church in Goldsboro on Wednesday, October 15.

The guest speaker was Dr. F. G. Warren, Professor of Food Sciences at North Carolina State University. Dr. Warren discussed the topic of synthetic foods and pointed out the use of the soybean as a high protein food, and a possible substitute for various meat products. It is generally recognized that this is a possible solution to many of the food problems of the world today.

The next lecture, "Air Pollution Control", is scheduled for November 12, 1969. Everyone interested is encouraged to attend.

WCC Aids RPC in ABE

Wayne Community College in cooperation with the Recreation and Parks Commission of Mount Olive is in the process of establishing a learning center in Mount Olive. Classes in Oil Painting and Ceramics are in progress now.

Subject matter being considered for additional classes include: Budget, Knitting, Interior Decorating, Speed Reading and Writing, Pilot Ground School and Ault Driver's Education.

It is expected that classes in these subjects will be underway by December or January.

Mrs. D. F. Odom, Jr., is chairman of the Recreation and Parks Commission.

Classes are meeting in the property formerly occupied by the offices of the Town of Mount Olive and some classes will meet in the town courtroom.

Plans for developing for a second learning center to be located in Fremont. Classes will be getting underway in the immediate future. Classes will be located on the property known as the Friendship School.

Also, a refresher class for persons interested in the High School Program begins Tuesday, November 4, 1969 at 2:00 p. m. at West Elm Community Action Center.

This will meet each Tuesday afternoon. The purpose of this class is to prepare the students to score satisfactorily on the High School Placement Test. About 20 students are expected to participate. No tuition charges are made for this class. The Placement Test will be given in a two-part series on November 13 and 17, 1969. -- Judi Tarlton, Newspaper Representative.

Annual Bleed-In

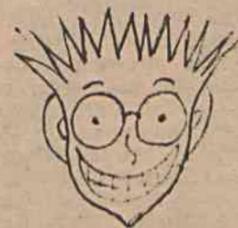

The Wayne Community College Annual Bleed-In will be held Tuesday, December 9, 1969 from 11:00 a. m. to 4:30 p. m. in the Wayne Community College library.

Appointments for donating blood will be made prior to the Bleed-In and appointment cards will be issued to show the time of the appointment. Four people will be scheduled every five minutes beginning at 11:00 a. m. and it will take about thirty minutes to complete the procedure. This includes checking in, getting important medical information, having your blood pressure and temperature determined as well as the actual donation of blood. Parental consent will be required for students and faculty members who have not reached their 21 birthday. Consent forms have already been mailed out and are to be returned by November 20.

Students who are late reporting to classes due to participation in the Bleed-In should present their appointment cards to their instructors if they wish to have the tardiness excused. Acceptance of these excuses will be at the discretion of the instructors, however.

Recognition will be given to the following groups having the largest percentage of volunteers; various curriculum students, members of student clubs and recognized student organizations. Each student should select one of the above categories to receive credit for

Comments by Professor Braxton L. Phife

VOTE NO ON PROPOSITION "B"

You may wonder why we say no on proposition "B". Well Proposition "B" would only encourage people to vote against Proposition "A". That is if they weren't already voting against proposition "C". But the fact of the matter lies within the basic framework of proposition "B". Being a monostable factor in today's society which leads us to the relationship of proposition "A".

In relationship of proposition "C" keeping in mind that proposition "B" would have a definite intransic ultrasonic affect on both of the above. Where as if "A" could be offset with

Watchmaker's Guild To Be Formed

Initial steps have been taken by the students of the watchmaking class to form a guild to be known as the Wayne Community College Watchmakers' Guild.

Officials have been elected, protem, pending approval of the proposed guild constitution and by-laws and subsequent ratification. These officers are: Charles W. Todd, President; E. Harold Creech, vice-President; Manely E. Wooten, Secretary and Treasurer; and John E. Lassiter, News Reporter for the guild and class activities.

Three standing committees have been established as follows: Executive Committee-- H. Earl Hardison, Chairman of the Mechanical and Vocational Department and Joe D. Perkins,

FIRST ISSUE

This is the beginning of the first monthly newspaper for W. C. C. It is compiled by W. C. C. students for your interest and your knowledge.

Any constructive response by the student body, administration or staff would be greatly appreciated.

Do You Have a Problem? Dear Blabby

For all of you students, faculty, and staff with troubles, we now have Dear Blabby to whom you can pour out all your problems. Just write your problems on a piece of paper and leave in the Dean of Student's Office, the newspaper basket. Your answer will be published in next month's issue of the Wayne Communique answered personally by Dear Blabby.
