

# The Wayne Communiqué

VOL. 2 - NO. 7

WAYNE COMMUNITY COLLEGE, GOLDSBORO, N. C.

APRIL 30, 1971

## Quickies

### Graduation

Wayne Community College graduation exercises will be held May 30, 1971, at 2:00 p. m., at Goldsboro High School Auditorium.

### Landscaping

The 201 Sociology class of WCC has undertaken a new project. They have begun to landscape the area between "F" building and the Student Union. Help is needed to beautify your college campus.

### New Arrival

Mr. and Mrs. Bob Goodman are parents of a new son. Robert Edwin was born April 7 and weighed 6 lbs., 5 1/2 oz.

### Three in One

In a triple treat Wayne Community golfers won and lost. Southeastern bowed to WCC with 329 strokes while Cape Fear had 339. Best score was 78 by Tom Davis.

### Frisbee team next?

David Parrish hopes that after the Table Tennis Team gets back from the People's Republic of China that the WCC Frisbee Team will be able to go over. Is he trying to defect?

### Engineering Technology Program

Many students may not know that the Engineering Technology Program at WCC includes two particular curricula, electronics and mechanical technology. Both of these courses lead to the Associate in Applied Science degree.

Demand for more engineers has raised salaries and benefits so that the graduate is well rewarded for his work.

### Phi Theta Kappa

Phi Theta Kappa will hold its first spring banquet on May 7, at 7:00 p. m. at Goldsboro Motor Hotel. Guest speaker will be Mr. Richard Walser.

### Library Week

Library Week began on April 19. During this week people were encouraged to read. Many posters and pins were around the campus to help promote the idea.

### A Special thanks

The Forestry boys deserve special thanks from everyone for the fine work they did in helping to fight the severe forest fires.

### Career Opportunities Day

Career Opportunities Day was held at the National Guard Armory on April 28. Many representatives from colleges were present to aid students in making important decisions concerning furthering their education.

### Work-Study Students

There will be many opportunities for work-study at the YMCA Blue Ridge Assembly at Black Mountain this summer.

### Bookstore moves

The bookstore is moving to "F" building and the old bookstore room will be used by Mr. Everette who helps in the night extension program.

### "Insight" Is Back

The 1971 "Insight" was received from Hunter Publishing Company on April 19 and went on sale April 21. Be sure and get your annual soon

### Rolleo-April 28

The annual Rolleo sponsored by the Forestry Club will be held on April 28. The SGA will sponsor a cook-out on the same day beginning at 6 p. m.

## SGA Officers for 1971-72 Elected

Wayne Community College students recently elected a new slate of SGA officers for 1971-72. They are: Jerry Kornegay, President; Jim Bahen, Vice President; Sandy Mitchell, Secretary; and Debbie Evans, Treasurer. These people will take office in September.

These and other WCC students who were seeking SGA offices got a taste of politics as they announced their platforms and campaigned during the week of March 22-26. Now, with elections over, triumphant officers beam as they each express their reasons for

soliciting your support.

SGA President, Jerry Lee Kornegay's first message to WCC students. "I ran for SGA President so that I might represent the students in the ways in which I feel they should be represented. I feel there is more to the position of SGA President than organizing dances and other activities. I feel that it is time that students unite and become more active in the operations of the college. With your support, I feel that we, the students, can become an intricate part of Wayne Community College."

Second in command is Vice President Jim Bahen. "The reasons I chose to run for the office of SGA Vice President are two fold. After having only been a student at WCC for three quarters I can see there is a gap between the students and the SGA. The SGA can be and is a powerful organization on campus. I feel that with good representation by the officers and the representatives we can bridge this gap between the students and the SGA. My second reason is merely to satisfy my own personal desires to become involved."

Next is Sandy Mitchell, SGA Secretary. "Because of interest in the school, and the student body I decided to run for Secretary of the Student Government Association. I will always endeavor to do my very best while serving all WCC students. My foremost interest is to represent all student wishes."

The official bookkeeper is Debbie Evans. "I ran for the office of treasurer of the SGA because I felt that through this office I could help to better my school. I want to be a tool by which the students of WCC can have a voice in their school and its operation. I shall try to fulfill this office's responsibilities to the students' satisfaction, but I need your support to do this."

## Quickies

Girls, how would you like to become a flower bunny and make a little extra cash on the side? If nothing else, it would be a good hobby. Well, if you think that you have any talent and will practice to become efficient, then you might qualify. (To be continued on page 4)

### FLOWER BUNNIES OF WCC

What is a flower bunny? These are the young ladies who attend the flower arrangement class every Tuesday and Thursday night. In this class students learn eight basic principles which are used in making flower arrangements. These principles are:

1. Color-Blending of different shades and tints in the same color family.
  2. Scale-Scale is the size relationship of the different parts of an arrangement.
  3. Balance-The arrangement of flowers so they will not topple.
  4. Focus-The center of interest.
  5. Texture-More than over all surface smoothness or roughness.
  6. Rhythm-A smooth flow of color.
  7. Harmony-The total harmonious effect of the entire arrangement.
  8. Design-The over all appearance or composition.
- There are a lot of little things one can pick up in this class that can save money. Flower arranging is inexpensive and no matter what arrangement planned, a truly beautiful creation can be the result.—Rober Wayne Best.

### THE APPLE TREE

Two acts of the WCC musical The Apple Tree were performed at Eastern Wayne High School March 31 for juniors and seniors. "The Lady or the Tiger" and "Passionella" (acts II and II) were chosen by the high school because, together, they would fit neatly into an assembly.

## Roundtable Will Listen to You

To err is human. To complain also is human. Now is the time to sort out complaints, determine which of them can be reworked into practical constructive criticism, and to expose these criticisms to the college population of all levels via the Round-table meetings. The faculty and administration are to be commended for exposing themselves to a demanding task ahead. They are exposing their egos, too, to the inescapable fact of room for growth.

The students are to be motivated to initiative. This is a rare opportunity for the student to participate directly in the development of an already fine and ever improving institute for higher learning.

Lincoln Memorial University Singers, visited Wayne Community College Thursday, April 1 at 2:00 p. m. Some 50 students were in the Student Union to enjoy the impressive concert presented by the touring singers from Lincoln Memorial

University, Harrogate, Tennessee. The group was directed by their Music Department chairman, Mabel Dunkirk Smith. The presentation was sponsored by the S. G. A.
