By REESE HELMS

September 21 marked the opening of the 1971 W.C.C. intramural flag football program. The first game started at 6:00 p.m. and was a hard-fought defensive struggle between Sigma Tau Sigma and Delta Chi Omega. The Sigma Tau's won the game 7-0 on a nifty play, called the Flea Flicka. Quarterback Lynn Griffen threw a pass to his right end, who quickly pitched out to Ray Robinson, who rambled the last few yards for a six point lead. Bobby "The Toe" Friede kicked the extra point to end the scoring. Both teams threw away many scoring opportunities due to first game jitters and other mistakes to make the final score 7-0.

On Wednesday, Sept. 22, College Transfer defeated Delta Chi Omega 7-0. College Transfer won the toss and elected to receive. After a fine run back of 20 yards by halfback Peterson, the powerful College Transfer offense started off with a bang. Halfback David Shoemaker took a pitch out around right end for 60 yards and a touchdown. Eddie Bass kicked the extra point to make the score 7-0 with the game only two minutes old. The rest of the game was a battle of defenses. Both offenses were stopped by numerous penalties with College Transfer heading the way with 175 yards in the penalty column.

In their first game Fish and Wildlife won by a forfeit when Auto Diesel failed to field a team and dropped out of the league.

After the first week of play College Transfer leads the league with a 2-0 record. Second is Sigma Tau and Fish and Wildlife with 1-0 records. Delta Chi stands 0-2 and Forestry 0-1.

In a battle of unbeaten on Wednesday night, Sept. 29, College Transfer completely dominated the contest to post a 14-0 victory over Fish and Wildlife. The game was a bitter struggle with two players, Jim Bahen and Reese Helms, being thrown out for fighting. It was a little late though as Helms had scored once and passed to David Shoemaker for another score.

Shoemaker made a marvelous run after catching the pass to make the final score 14-0. Eddie Bass kicked both extra points for C. T. Bass, who has yet to miss an extra point, tried one field goal but it was blocked. Outstanding players were Tony Phillips with two interceptions, Bryant Langston, and the outstanding defensive line of C. T. This line has yet to be scored on in three games. Jessie Parrish, Jim Bahen, and Tom Davis headed F&W in a good effort.

Horner Joins Staff

The Physical Education department has a new member this year in Mr. Bill Horner of Roxboro, North Carolina. Mr. Horner is a graduate of Guilford College and received his master's degree in physical education from U.N.C. at Chapel Hill where he was a graduate assistant. Mr. Horner will coach basketball and assist Mr. Jim Bennett in other aspects of the P. E. Dept. His wife Frances and he reside in Goldsboro.

Flag Football Starts at WCC

When students were walking around campus the last few weeks and noticed a lot of boys walking slowly and painfully these were the W.C.C. gridiron stars of the intramural football program that started September 21. The program this year is made up of five teams: Sigma Tau Sigma, managed by Gene Harrelson; Fish and Wildlife, Jim Bahen; Forestry, Mark Webb; Delta Chi Omega, Bo Wessell and Bob Hinnant; College Transfer, Reese Helms and Jerry Robinson. The Schedule consists of a round robin and then a double elimination tournament. The winner will play Mt. Olive College. Jim Bennett, Athletic Director at W.C.C. is directing the program with the assistance of Mr. Bill Horner, the new member of the Physical Education Department. Games are on Tuesday and Wednesday nights starting at 6:00 p.m.

Basketball Horizons

Basketball at W.C.C. will be a little different this year from that of the past. After three fruitful years under the leadership of Coach Charles Lee, the Bisons will have a new look and a new coach.

Such outstanding players as Cliff White and "Little Bud" are gone. Due to little or no support by the student body, town, and faculty, it was impossible to provide the needs of the basketball program. Under new coach Bill Horner the program will be cut back in three ways: (1) No longer will scholarships be provided for the players. Anyone wishing to try out can do so beginning Oct. 18. (2) All games will be played within a 100 miles radius of W.C.C. (3) W.C.C. is no longer a member of the Community College Conference but will be playing as an independent.

Reese Helms, a returning athletics enthusiast comments regarding these changes: "It seems a real shame to go backward when such an outstanding part of school life was at the top."

Livestock Judging Team Wins

In the livestock judging contest at the county fair recently, three students took top honors. In first place and winning \$15 was John E. Davis. Out of a possible 200 points John's score totaled 189. In second place, winning \$14, was Mark Best with a total of 184 points. Gary Britt took third place and a prize of \$13 for his score of 177.

Fifteen students from poultry and livestock classes participated.

STRIPES FOREVER

Let a stripe go, and what does it do? It goes on and on. Forever. That's the idea behind Arrow's new Concepts. So watch those stripes go. Up the front and down the back, without stopping at the shoulder. Never before have stripes so ruled the weave. And Arrow salutes them with these strong touches: long pointed collar with 2" collar band, 7-button center pleat, two-button cuff with mitered corners. See these new stars of the shirt world with bold stripes, soft stripes, even textured stripes.
