

New club established

Clubs win awards, plan events

By SHARON MITCHELL

On Tuesday, April 6, an organizational meeting was held for Fashion Merchandising and Marketing students interested in starting a club.

"The purpose of this club is to provide job opportunities and make the public aware that we are here," said adviser Sharon Thornton.

The students and officers want to build a communication with the business community so that they will be aware that the students are educated and looking for jobs after graduation.

Seven students who attended elected officers and set dues at \$5.00 per quarter.

Sharon Thornton and David Deakle, instructors in the Business department, will serve as advisers.

President is Amy Forehand; Vice-President, Robbin Mount; Secretary, Michele Lee; Reporter (historian), Laura Therrell and Senator, Cyndi Cannady.

The club sponsored a Fashion Show on May 7.

The new club will meet on the first Tuesday of each month.

PBLs score high at state conference

By SHARON MITCHELL

On April 2-4, 1993, Phi Beta Lambda students attended a State Leadership Conference.

Representing WCC were President, Ronald Lane; Vice-President, Stephanie Fields; Secretary, Beverly Smith; and Lila Berry, Treasurer.

Also attending were adviser LaRose Brock, instructor in the Business Department, and professional member Roger Smith, owner of Roger Smith Electrical Company.

Smith was also involved in the judging of some events.

Activities included the election of state officers, a banquet, and an awards ceremony.

Every delegate who competed had to take a written and oral test.

Lane placed third in the accounting II test; Helen Whitley placed eighth in the job interview test, which has a written and an interview section; and Beverly Smith placed eighth in information management.

Lane and Smith also became members of Who's Who in Phi Beta Lambda.

Students attended seminars to increase their awareness of the "real world" of business. They learned how to be effective leaders and communicators.

Other activities of PBL include road clean-ups, and fund-raising events like the raffle of Easter baskets.

Any student interested in becoming a Phi Beta Lambda member must see the adviser or one of the officers and pay a \$20.00 yearly membership fee.

The Fashion Merchandising Club's display attracted attention in the Atrium.

Pep Club needs active members

By SHARON MITCHELL

On April 7 at 1:00 the Bison Pep Club had its monthly meeting.

The purpose of this club is to help promote awareness and increase student attendance at school athletic events.

It also helped in the planning of events at Spring Fling '93.

Advisers for the Pep Club are David Deakle, instructor in the Business Department, and Gina Bowers, counselor in Student Services.

Having merely 5 students attending out of over 70 student members has put the goals of this club at a standstill, according to President Ricky Offield who feels that if people continue to miss these meetings and remain uninvolved, then the club is headed for trouble.

Other officers include Vice-President, Nicole Hill; Secretary, Julie Honeycutt; Treasurer, Ronald Lane; and Public Relations Officer, Jason Gerhart.

Ron Lane, PBL president, stands with the Easter Basket fundraiser.
