Wayne Community College SGA events this semester have offered fun and variety for students who take the time to participate.

Events included Ping Pong and Spades tournaments, 2 cookouts, and a myriad of activities during Spring Fling.

Lisa Pate, student, said that she really enjoyed all of the events SGA sponsored because they allowed her to relax and enjoy free time with her friends.

WCC student Joey Duke also commented that he enjoyed the cookouts because of the great food!

Director of Student Activities Wayne Parson termed it "a successful semester."
